From the President

Greetings!

Well it's April 9th and coming out to the club I realize spring might finally be here! Literally every sub group has something going on!

Starting in the back, muzzleloaders are having a fun shoot that looks like it is well attended. WHRRI is having its first open track day with over 100 cars registered. On the action pistol range there is a match going on with lots of participants. Moving out to the 100, 50 and 25 yard range, there were 15 individuals who perhaps finally decided it was warm enough to sight in the new Christmas rifle. And finally, I saw Quarter midgets were practicing and getting ready for their upcoming season. Then I looked over to shotgun, and as usual for a Saturday morning they were busy. Now, I go across the street to archery and they are busy with their first outdoor 3D event of the season.

Yep, like I said before, you know its spring when everyone is out and about at the club. If you weren't there, I guess it's too bad you missed out. Don't wait! Just come on out and join us.

See you there,

Gary

Happy
Mother's
Day

2022 SUMMER OUTDOOR BOWLING PIN SHOOTING DATES

**First Saturday of the month
May 7, June 4, July 2, August 6, September 3**

**Starts at 10 AM and Stops at 2 PM
Center-Fire and Rim-Fire**

FOR BOWLING PINS, bring a pistol, PCC or revolver, a magazine, ammunition, eye and ear protection.
Optional: water, sunscreen and hat.

Calibers are limited to 22lr, 32acp, 380acp, 38 special, 9mm, 40cal and 45acp. Sorry no magnums, no 10mm and no bottleneck cartridges. All firearms are bagged or boxed, we will not be shooting from holsters.

The setup consists of two tables of pins, with a long bench for the shooters, allowing for social distancing. You typically shoot 6-tables per set, with one or two shooters on the line at a time. Shooters will be setting their own pins, so you may choose to wear gloves.

Targets consist of either full bowling pins, or the bottom halves left from using the top-halves used for the 22cal indoor shoots. These bottoms halves work well with 9mm or smaller calibers.

We are shooting on the same schedule as the Steel Plate Shoots, giving you more opportunities to shoot on these days. Bring a friend!

\$5.00 for members and \$10.00 for non-members *for the day*

Archery Club News

The Winter Archery Leagues are now finished for the year and it is time to move outdoors!

Summer leagues start the first week of May. May 3rd 3D leagues start at 9:00am and 4:00pm. Field & Hunter leagues start May 5th at 9:00am and 4:00pm. There will also be a Youth 3D Instructional League that starts May 3rd at 5:00pm. Get your teams together and come enjoy the beautiful outdoor courses.

The results of all of the Winter Leagues and Club Championship will be announced at the Spring Banquet on April 23rd. Doors open at 5:00pm with dinner planned for 6:00pm. We will also be awarding this year's recipient of the Archer of the Year award. This is the most prestigious award presented by the Archery Club. For those that don't know what this award is, it goes to the archer who has contributed the most throughout the year to the Archery Club (by promoting the club, taking part in shoots and leagues, being involved with special projects / functions, and workbees). We will also be announcing the Slate of Officers for the Archery Club Board for the upcoming year.

Workbees have started. We meet every Wednesday morning at 9:00am at the Archery Club. Watch for notices of upcoming workbees. We are planning to have some evening and weekend workbees this year to accommodate the people that would like to be involved but can't make the morning workbees.

The Archery Building has been updated with new A/C units and the upstairs is now air conditioned! Thanks goes to Bill Dau for his follow-up getting this project completed.

Please come and join us at the monthly Archery Meeting. The meetings are held on the third Wednesday of the month in the Archery Club Building.

If you would like to be put on distribution for the Archery Club Meeting minutes please contact me with your e-mail address.

Hope to see you on the courses this summer!

What is a Mother

A mother is a special kind of person who finds joy in many things, the reading of a book, the smile of a child, the beauty of a sunset and a summer breeze.

She expresses her love in many ways, being a sympathetic listener, giving her love with a gentle hug, laughing at a not-so-funny joke, respecting privacy and forgiving faults.

A mother is someone to confide in and share our problems with, she gives advice but makes it seem more like a suggestion than a command, she may not always agree with you but she always respects your ideas and opinions.

A mother has a way of making even your smallest achievement seem really wonderful, she gives her time, encouragement and love and is proud to see you become an independent confident person.

She realizes that you have a life of your own, but she is always a special part of your life. Your dreams are hers, your joys are hers and your love is hers forever.

Have A Blessed Mother's Day

Oakland County Sportsmen's Club Shotgun Club

JR Shotgunners:

It's getting closer to that time of year, the shooting season. This year we will be starting on June 13th and ending on August 22. We will not be shooting on July 4th due to the holiday.

The price this year has gone up due to the increased costs and shell availability. This year it will be \$25.00 registration fee and \$325.00 for 10 weeks of shooting. So \$350.00 is the total cost.

This year we are going back to requiring you have your hunter safety card. Shooters must present their card the first night of shooting.

If your child can hold a gun on his/her own, and is not 18 before June first, come join us! You are welcome to bring your own gun if you have one. (12 or 20ga only). If not, there are guns here at the club and will be provided.

Class is limited to the first 20 signed up and paid for. Please return a signed release form with your check made out to OCSC Shotgun, and returned to me at the address below.

For further information and sign up forms please contact me. Looking forward to seeing you all again this year!

WATERFORD HILLS ROAD RACING (WHRRRI) STICKY TIRES NEWS LETTER

We are ready to go racing!!!

As I write this in early April, the track is open and ready. Our first workbee was a success. An excellent turnout ensured that everything needed for cars to be on track got done. We ARE a volunteer club. Thanks to everyone who came out and pitched in.

Our first two Open Track days and our Driver's School will be over by the time you read this. Our first race weekend, April 30- May 1, may also be done. Over the summer, there will be plenty more action; 6 more Open Track Days, 5 more race weekends and our annual Vintage Weekend. I hope everyone will consider making a family outing of coming to watch the excitement! As I said last month, there are even plans to bring food trucks in, providing tasty and maybe even exotic treats.

I've been writing for several months about preparing for Autorama, and how big a deal it is for a car person to participate in it. Now I get to tell you how successful it was for WHRRRI. We showed 6 race cars and came home with 6 trophies!! 2 first place, 2 second place and 2 third place. In addition to the trophies, we spread the word about the track and came away with several pages of folks who want to come work at the track. My deepest thanks to all the volunteers who mastered the horribly complicated, crowded and expensive parking situation down by Cobo to work our booth.

Come to the races! We are always looking for anyone who wants to watch, race or volunteer.

Until next month,

Brian Murphy

John Shaw, a long time member of the Oakland County Sportsmen's Club, passed away on March 14, 2022.

Our thoughts and prayers go out to his family and friends.

“The Bite” The Oakland County Sport Fishing Club News

It’s time for you to get that 2022 fishing license. Last year’s expired on 3-31-22! Why is it important you may ask? Not just because the “Fish Police” will get you and write you tickets that may cost hundreds of dollars but also because of how good it will make you feel knowing your license and sporting goods purchases helps to fund so many things in our great state. Your license dollars help to fund conservation projects, improve fishing and hunting habitats, provide habitat and nature education to our youth, and also supply the funds that keep our fish hatchery and stocking programs running. Michigan’s phenomenal fishing, hunting and natural resource conservation efforts depend on license dollars and sportsmen and sportswomen like us. Get out there OCSC and do your part...buy your license and offer to buy one for a friend who hasn’t fished in years...get them back to our lakes, rivers and streams.

The docks are in at the club and the Fishing club will be having a fishing event on Townsend Lake on June 11th. This will be a great opportunity to get a friend who hasn’t fished in a while back on the water. It is the Free fishing weekend in Michigan so bring an out of state friend, son, daughter, or grandchildren and show them what

Michigan waters have to offer. Stay tuned for more information.

As always, we love to get pictures of your catch. Please send them to us for posting on the club website at www.ocsc.club.

We’d also love to hear what you think! Come to a fishing club meeting (the third Wednesday of the month at 7PM) or email us at OaklandCountySportFishingClub@gmail.com

Conservation Corner/Michigan United Conservation Clubs

We had a great turn out for the campus clean up held on April 2nd! I want to thank all who came out to clean up the leaves sticks and other debris around the club especially around the high visibility areas like the club house and flower beds. Fortunately, there was not a lot of “garbage” floating around.....except for one item in particular..... CIGARETTE BUTTS! All around the front entrance to the bar, the back entrance to the bar, and the office lobby entrance. There were cigarette butts everywhere! Often these butts were right next to the “Butt Buckets” and other butt disposal devices!!! Please make the effort to dispose of your butts properly. Remember, we are a conservation club responsible for taking good care of our environment and it’s also not fair to make others clean up after you.

May 7th is the next “Adopt a Stream” river monitoring event. Please contact me if you are interested in participating. OCSC will be hosting a river monitoring training course with the Clinton River Watershed Council in the fall. It is a great opportunity to learn about our local waters and the abundance of life hidden in the rocks and reeds.

The Michigan United Conservation Club (MUCC) annual convention is happening in Lansing June 24, 25, 26. Go to www.mucc.org for more information on how MUCC is working to protect Michigan’s natural resources and our hunting and fishing rights.

The December Treasury report had not been published in the January 2022 Sportsman magazine because it had not been approved by the time the magazine went to print. It was an oversight that it was not published in a later edition.

The Treasurers Report from March was not approved at the BOD meeting on April 11, so they are not in the May addition of the Sportsman magazine.
