## From the President

Greetings,

I for one can't wait for snow and to get rid of these 90 and 100 degree days!

The club has been extremely busy, and one of the things we had to do is say farewell to Dana, a club employee who has served as a cook for our club for 8 years. Dana has a new home and the commute is just too far for her to continue working at the club. We wish her luck as she starts her new life. However, this brings up a huge problem for the club. We desperately need a cook for our kitchen. We are looking for anyone from an experienced

chef to a 15 year old school kid to run food back and forth from the kitchen. So please, if you know of anyone that may be interested, have them contact the office.

July 22, 23, 24 is the vintage race weekend, which is always a great show and a great time to hang out at the club. July 30 and 31 is race weekend #4 it's starting to heat up and get real competitive as racers compete for points for various trophies at the end of the year.

Also, on July 30th, the band "Rock Candy" will be at the club. The music starts at 8pm, food is available in the bar. So that's about all for now come out and hang out with your friends at O.C.S.C! See you there!

Gary

# WATERFORD HILLS ROAD RACING (WHRRRI) STICKY TIRES NEWS LETTER

By the time you read this, we will be more than halfway through our racing season and our Vintage races will be done. Time sure does fly! I'm excited about the Vintage races. We were able to get the township to let us run a full 8 hour day on Friday. This should bring, if not more cars, at least new entries. Racers will be more likely to drive here for the extra day on the track. More next month.

Race weekend 3 went pretty well, with only relatively minor incidents. One of them involved my car. I look forward to the day that the itching from doing fiberglass repairs goes away. Aside from that, competition has been keen and racers seemed to be running good times having a good time doing it! We had a cookout after the Saturday race. Hamburgers and hot dogs and dishes to pass were shared by many of us while we relaxed and enjoyed each other's company.

Our Open Track Days got a last minute addition when a long standing July 4th rental fell through. Ed "Clutch" Frank came through once again with a great day at the last minute. Thanks to all the volunteers who came out on their holiday to tech the cars, work the corners and just make sure everything ran well. As I often write; you should give this a try in your own car! It is fun, exciting, not too expensive and it will make you a better driver.

Again this month I will give a shout out to Gary Mobley and family. They put in many hours manning (and womaning?) the concession stand. I don't think we would be in danger of starving to death if they weren't there, but they sure make it a more pleasant weekend.

As I will say for the rest of the summer, come see the races! OCSC members get in free. Also, if you want to meet nice people and work around some amazing cars, let me know. We always want volunteers, we'll put you to work.

Until next month,  
Brian Murphy

"We're half way through the racing season and the class battles are fierce! Only 3 races left this season. Get outdoors and enjoy the sunshine. Track is 'hot' Saturday and Sunday from 10AM until 6PM. See you in the paddock, and be sure to line up for the parade laps!"

Here is a link to some of our racing action:

## 2022 SUMMER OUTDOOR BOWLING PIN SHOOTING DATES

First Saturday of the month  
August 6, September 3

Starts at 10 AM and Stops at 2 PM  
Center-Fire and Rim-Fire

FOR BOWLING PINS, bring a pistol, PCC or revolver, a magazine, ammunition, eye and ear protection.  
Optional: water, sunscreen and hat.

Calibers are limited to 22lr, 32acp, 380acp, 38 special, 9mm, 40cal and 45acp. Sorry no magnums, no 10mm and no bottleneck cartridges. All firearms are bagged or boxed, we will not be shooting from holsters.

The setup consists of two tables of pins, with a long bench for the shooters, allowing for social distancing. You typically shoot 6-tables per set, with one or two shooters on the line at a time. Shooters will be setting their own pins, so you may choose to wear gloves.

Targets consist of either full bowling pins, or the bottom halves left from using the top-halves used for the 22cal indoor shoots. These bottoms halves work well with 9mm or smaller calibers. Action pistol bays are located next to the Waterford Hills racetrack between the rifle range and shotgun range.

We are shooting on the same schedule as the Steel Plate Shoots, giving you more opportunities to shoot on these days. Bring a friend! \$5.00 for members and \$10.00 for non-members *for the day*.

The summer 3D and Field & Hunter Archery Leagues have wrapped up for another year! We will have one Summer Archery Banquet this year with 3D and Field & Hunter combined on August 2nd starting at 5:30pm. This will be a steak fry dinner.

Make sure to mark your calendars for the start of the Broadhead Leagues. These have been some of our most popular leagues so get your teams together.

The Broadhead Leagues will be starting as follows:

August 2nd (Tuesday) starting at 4:00pm

August 3rd (Wednesday) starting at 9:00am

August 4th (Thursday) starting at 4:00PM

These are eight week leagues and will get you tuned up for upcoming archery season!

The State MAA Championship will take place, again this year, on the racetrack infield on the weekend of August 6th and 7th. It would be great to see a lot of our club members register and shoot in this event!

Our last Sunday outdoor 3D shoot will take place on August 14th. Shoot between 9:00am and 2:00pm.

Of course the big event of the year is the BowHunter Jamboree which takes place the weekend of September 10th and 11th. Check the club magazine for the flyer with details.

The Archery Club has been approved for a lighting upgrade. We will be changing out all of the lighting in the Archery Club building to LED lights. By the time you read this article the project will have already started. Depending on how long this project takes we may have some additional work sessions to complete this task, so watch for notices if you would like to help out.

Come join us at the monthly Archery Club Meeting. The meetings are held on the third Wednesday of the month in the Archery Club Building.

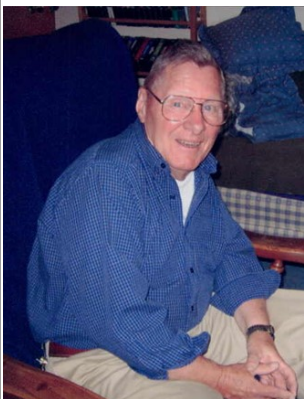

If you would like to be put on distribution for the Archery Club Meeting minutes please contact me with your e-mail address.

Enjoy the rest of the summer and hope to see you out shooting!

## “The Bite” The Oakland County Sport Fishing Club News

Another fantastic fishing event was held up in the Saginaw Bay Area a few weekends ago. There were 12 anglers on Friday, 17 on Saturday and 12 on Sunday. The weather did not cooperate on Friday and Saturday bringing too much wind and along with that came the big waves. It was some tough fishing. Sunday made up for it with clear skies, calm water, and lots of Walleye. Almost 70 were caught between all of the boats and people. The Master Angler Award goes to Ryan Ferdon!!!!

Thank you to our Gracious Hosts Pat and Barbara Larsen for sharing their little slice of heaven with your fishing club!!!! Looking forward to another event next year!

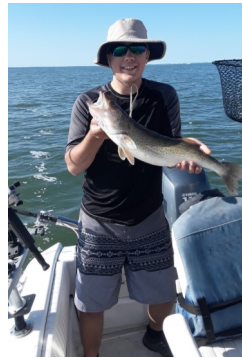

We are always looking for new members and fishing ideas to share with the group.....We hope you will consider attending an Oakland County Sport Fishing Club meeting and join the fun!

As always, we love to get pictures of your catch. Please send them to us for posting on the club website at [www.ocsc.club](http://www.ocsc.club).

We'd also love to hear what you think! Come to a fishing club meeting (the third Wednesday of the month at 7PM) or email us at [OaklandCountySportFishingClub@gmail.com](mailto:OaklandCountySportFishingClub@gmail.com)

## Conservation Corner/Michigan United Conservation Clubs

Interested in volunteering some time at the MUCC Cedar Lake summer youth camp in Chelsea? They are always looking for all kinds of help. Please contact MUCC at 517.371.1041.

The Michigan DNR has budgeted \$34 million dollars to help improve our state fish hatcheries that provide thousands of fish for our lakes and streams every year. They will also be retiring the (Research Vessel) R/V Steel Head which has been in service for over 50 years studying the Great Lakes and associated rivers and streams. Maintenance of the boat has become increasingly problematic and an upgrade is overdue.

Clean Drain Dry your boats, Kayaks, Canoes, waders....actually, everything that touches the water. Do your part...

## Range Closings and Organized Shoots

**PLEASE CHECK OUR FACEBOOK PAGE OR OUR WEBSITE FOR ALL UPDATES ON RANGE OPENINGS, CLOSINGS HOURS AND RESTRICTIONS.**

This page is only as accurate as the information given to the office by the first Wednesday of the month and already approved at the General Membership Meeting. Make sure your Sub club sends in information on a regular basis. If you have any questions on range closings please contact the appropriate Sub club.

All members and their guests must sign in to use the ranges! There is a \$10.00 guest fee for each guest per day, and must be paid prior to shooting. There is a maximum of 4 guests per member. If you are going from range to range, it is the responsibility of the member to fill out the range book and the guest fee envelope, enclose the proper fees, and place it in the guest fee box.

**This is your club, report all range violations and any misuse to the club office.**
