## From the President

Hi All,

Well, it's hard to believe, but I'm driving down Airport road in Waterford and I can't believe the fall colors! Where did summer go?

The Archery Jamboree was well attended and now all of our archers are finely tuned and ready to go out into the woods and harvest some venison.

Speaking of venison, I'm going to let the cat out of the bag and tell you that Kerry Bush has decided to chair our (old way, prior to COVID) wild game dinner! After October 15th, the club will be accepting any wild game donations that you would care to share. Please contact the office and we'll take care of the processing. I'm sure a lot of people will be looking forward to this so look for more details soon.

On the motorsports side, Waterford Hills Road Racing is getting ready for road race number 5, which is their final race weekend. All of the drivers will be pulling out all the stops to try to get to the top of the points race. This last weekend has always been known as "The fall classic, where the fiberglass flies north and the geese fly south". It's always action packed.

Last but not least, the new alarm system is in and we appreciate everyone's patience during the rollover.

That's all for now, but, as always, if you're hunting from an elevated stand please use a safety harness!!!!!!

See you in the woods

Gary

We are revving up to start selling tickets for the Mystery Safe, which will be drawn at the last general membership meeting of the year, December 28, 2022.

## “The Bite” The Oakland County Sport Fishing Club News

The floating sections of the Townsend Lake Dock will be pulled soon. We don't want it to get crushed by the ice that is certain to appear soon. You can still launch your boat and spend a cool crisp day out on the water.

We appreciate those of you who have helped to keep your trash collected and in the can. The FISHING LINE RECYCLING STATIONS at both docks have been used quite a bit. Thank you all for helping to protect our natural resources!

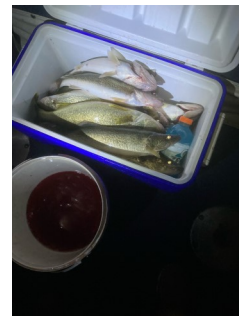

Our Dock committee has purchased some dock material is looking for ideas on what to do with it and also volunteers to help with the install this spring. Please come to a fishing club meeting if you are interested in the project, earning some volunteer hours and improving our club's fishing.

As always, we love to get pictures of your catch. Text sent in the pictures below of a successful walleye trip somewhere on the east coast and also a nice bass from a local lake somewhere near us. Please send them to us for posting on the club website.

We'd also love to hear what you think! Come to a fishing club meeting (the third Wednesday of the month at 7PM) or email us at [OaklandCountySportFishingClub@gmail.com](mailto:OaklandCountySportFishingClub@gmail.com)

## Conservation Corner/Michigan United Conservation Clubs

MUCC has been active in protecting our hunting and fishing rights. There have been several emergency “Call to action” email sent out in the past few weeks. These are requests for you to contact your local legislators and offer your opinions on current hot topics such as the proposed expansion of Camp Grayling that would almost DOUBLE the size of Camp Grayling and effectively take away hunting and fishing access to thousands of acres of our lands.

You can let your opinion be known by contacting the DNR at [DNR-cmp-Grayling@michigan.gov](mailto:DNR-cmp-Grayling@michigan.gov) or at the Camp Grayling lease update proposal webpage

If you are not receiving these “Call to Action” email and would like to please contact MUCC.

The upcoming midterm elections in November could also greatly impact our Shooting, Hunting, and Fishing rights. Get informed and make to sure to vote!! Find out who your elected officials are by going to the Michigan Secretary of State website. <https://www.michigan.gov/sos/elections>

It is your responsibility to know who represents you and what their opinions are about our shooting, hunting, and fishing rights. Get out and VOTE YOUR SPORT!!!

Yours in Conservation,

## Women's Auxiliary

Thank you to everyone who has bought a piece of pie or a slice of cake during an OCSC monthly meeting. Thanks to your generosity, the OCSC Auxiliary was able to contribute \$1,000 to the Archery Club for their new multi-stage hunting platform.

During the Jr. Rifle Sportsmen's Swap Meet on Sept. 17th, we manned the kitchen to provide lunch for members, vendors and customers who attended the sale. We are glad to be able to support the sub-clubs!

A current project is weeding and planting native pollinator friendly plants in the two flower beds on either side of the front porch. We are a conservation-based club and this is a demonstration of how ornamental plants can be blended with the natives. I also want to thank Cheryl Francis for the gift of five mums she donated for the gardens.

To raise funds for future projects, our Auxiliary is raffling off a Cash and Gift Card Tree worth \$220. Tickets will only be sold to OCSC members during monthly meetings. They are \$1.00 each or 6 for \$5.00. The drawing for the winner will be on December 3<sup>rd</sup> at the annual Sportsmen's Club Christmas Party. Thank you again for your support.

Hunting season is here. We hope you've already been out in the woods, maybe up in a tree blind or ground blind waiting for that special buck! The Women's Auxiliary would like to wish you all luck and enjoy the fall colors that should be already peaking out in the Upper Peninsula!

Sincerely,  
Anne M Mobley & Jane Dixon

# WATERFORD HILLS ROAD RACING (WHRRI) STICKY TIRES NEWS LETTER

As I write this, we have one race weekend left. By the time you read it, our season should be finished. Our last race weekend went very well. Jerry even complimented our on track behavior. Weekend 5's special race was "2 Stroke Smoke" especially for the Formula 500 cars. I spent some time talking to Mike Hintze, Ted Johnston and Steve Thompson and looking at their car. I was impressed! The cars are so different from what the rest of us are used to- tiny tires, no shock absorbers or metal springs, no shifter and no room in the cockpit. But they are blindingly quick and among the fastest cars at our track. At least one of the cars was using castor oil, so they even smell great, too.

Workbees to close the track for the winter will be scheduled shortly. Please try to attend, there is a lot to do. We also plan to address the turn 6 runoff area. The plan is to regrade the grass area and enlarge the gravel traps. Our hope is to minimize the damage misjudgment or mechanical failures cause.

We, like many others, mourn the cancellation of the Friday Fish Fry. Unfortunately, they were not making enough money for the Club and other ideas are going to be tried. Please patronize the band nights or stop in for dinner on Friday nights. We are all members of the parent club. We need to support ourselves!

Banquet time is approaching. This year we are going to have a second, special awards banquet to show our appreciation for our workers. Check the website for dates, times, locations and prices. Get your tickets soon!

If you have a car you would like to show at Autorama, usually in early March, let me know. We need to come up with 6 excellent examples of our passion.

Though we may be done racing for the season, there is always plenty going on. Our meetings through the winter are important to keep you informed and a good way to socialize with fellow racers. Please plan to attend them!

Until next month,  
Brian Murphy

## Desert Angels at Work at OCSC

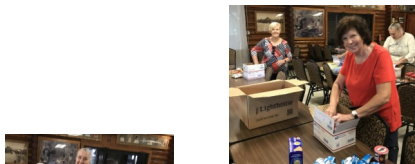

We will collect Christmas items for the October 13th and November 10th Packing Parties. We are requesting:

**small Christmas items, homemade Christmas Cookies, Christmas Stockings, small items to go in the Christmas Stocking, Cards and letters of encouragement, postage stamps for Troops to mail letters to their loved ones.**

DA Blue will be presenting filled Christmas Stockings to our police officers.

Here are some pictures from our past packing parties.

Thank you for your support!  
Louise Downs

Service men and police officers being appreciative of Desert Angels and DA Blue.

# Shotgun News

The month of October is the beginning of election time at the shotgun club so please submit nominations for board positions, then next month is our vote. If anyone is interested in being a shotgun club officer they need to attend the meeting on October 25th to be nominated and to accept that nomination. It's time for someone new to lead us with ideas and foresight for the future. Please come out and volunteer for one of the four positions that will be available for you to serve your beloved shotgun club.

Things are going well at shotgun so please come out and enjoy our great sport. There has never been a better time since our seasons are about to take off for 2022.

Shoot with a friend, join a league, take a lesson, bring a new friend, just get out and keep this great sport alive by participating and mentoring new shooters.

As Always,  
Stay Safe-Shoot Often

WELCOME NEW MEMBERS!

# Archery Club News

It's always surprising how quickly the fall sneaks up on you! Summer has just flown by and we are now into some beautiful Michigan fall days. The Broadhead leagues for the year are a thing of the past! We had great attendance this year. It seems as though we are finally back to normal! With the end of Broadhead leagues that means one thing to many Archers, bow hunting season has begun! Good luck this fall to everyone that participates.

The Bow Hunter Jamboree has also taken place at this point, and I will have a wrap up in the next magazine article. We had new chair people this year with many new ideas. They put in an amazing effort to continue to make the Jamboree our marquee event of the year.

With the start of the Fall Indoor Leagues you will notice a major upgrade in the range. All of the lighting has been upgraded to LED. This upgrade is especially noticeable on the target wall. Along with improved lighting we will also benefit from lower maintenance and energy cost savings. We had a great group of guys working on this project over several nights. It always amazes me what talented and hard working folks we have in this club. Thanks to everyone who helped with this project!

The Indoor Fall Leagues start the last week in September. The Flint League starts on Tuesday September 27th at 7:00pm. This is a really fun, fast moving target league that you shoot from various distances ranging from 7 to 30 yards. The Women's League starts Thursday September 29th at 6:30pm. This is an NFAA 'FUN' target league. Both of these leagues run for 10 weeks.

Come join us at the monthly Archery Club Meeting. The meetings are held on the third Wednesday of the month in the Archery Club Building. We welcome your input!

As always there is a lot going on at the Archery Club!  
Come on out and join us!

President's Comments: Gary Mobley  
Fish Fry has changed. Last Friday was the our last Fish Fry as we know it. Starting September 9th the Club bar will be open starting at noon for lunch and food will be served till 8pm. The bar will stay open as late as there are patrons. Next big event around the club is we changed alarm companies. The new alarm and swipe card system has been installed. All buildings now have swipe card access. This needed to be done due to the old system Reaching capacity and aged to the point that replacement parts are no longer available. We had a GREAT band night this past Saturday. Over 200 people showed up to listen to Whiskey Business. They were great and we hope to have them back again.

PROGRAM SUBJECT: Drones  
By Brian Patrick from the FAA  
Brian gave a great presentation on the do's and don'ts of flying drones for personal use and commercial uses as well as the different licenses and registration requirements. Even some toy drones need to follow the rules. If you fly a drone for any reason it is STRONGLY recommended to go to the FAA website and find out what the rules are.

Yvonne Myers addressed the room  
Presented to the OCSC General Membership Meeting August 31, 2022  
I'm Yvonne Meyer. I'm Bill, the office manager and Past-President's wife. I'm a member of the Women's Auxiliary and baked a few of the cakes out there tonight. I'm also an actual life member of this club, not "just a wife member." So, I have a voice and a vote in the goings on here. I'm concerned about the direction of this club as it appears to be going. Of course, many of you know my displeasure with the cancellation of the Friday fish fry. Certainly, I understand changes need to be made, I just don't like how it's happening. Putting out an e-blast and Facebook post the day before the last fish fry seems a bit abrupt. I'm pretty sure many of the "regular" customers will never see those. It may be interesting to see how many people show up for fish fry on the Friday after Labor Day. Why now? Sure, the summer attendance was low, but it usually is. Keep in mind, this was the first summer in a couple of years where we could go back to other summer traditions such as graduation parties, weddings, family reunions and vacations. Typically, people move back to indoor routines after Labor Day. We've heard several comments from customers that they didn't realize the fish fry was still open since they didn't see the ad in the

paper. The signs and cones aren't always put up on Fridays anymore, so someone driving by might think it isn't going on. We've also had new customers almost every week, as well as some mentioning they are finally feeling comfortable about coming out after COVID. During the time most things were locked down, the fish fry brought income to the club. It gives many volunteers the opportunity to interact and socialize, many of whom are Life Members that don't need hours. It's an opportunity for new members to meet others and earn their hours. It gives Scouts and JOAD fundraising opportunities through bake sales and table bussing. In June at our meeting, I asked about fish fry cancellation when I saw it in the BOD minutes published in the newsletter. The response was, not yet, because they couldn't find people to hire to run the kitchen for a Friday bar night. When I asked about advertising, I was told McDonald's didn't need to advertise to let people know they were open again. We aren't on a main road with golden arches gleaming in the distance. Advertising not only reminds people we're here, but gives us that little publicity boost come time for "Best of" voting. The e-blast and Facebook post said something to the effect of when fish don't bite you change lures. It's my impression that you cut all the bait and gave up! There are many people around us who don't appreciate the sound of firearms and race cars the way we do. I saw fish fry also as a community outreach. They may have enjoyed this family friendly Friday tradition. I'm not sure another open bar night will be the same thing. Why not continue thought our usual mid-November break and then reassess whether to start back up in January (or maybe Lent)? One of the other things I do as a volunteer is Saturday morning tour guide. I love selling this club! Ironically, last Saturday morning, here in this main hall, I was explaining what goes on in the hall. Both prospective new members asked about fish fry. I told them the last one was the night before. They appeared disappointed and said they were looking forward to coming to those. Then there are the finances. Obviously, I sense some of my husband's stress and concern. Some months we get a treasurer's report in our newsletter, some months we don't. Most months the treasurer gets up and reads balances of the various accounts. Does anyone pay attention to the changes? They seem like large numbers to an individual, but maybe not so much for a business. I have a feeling there have been large decreases each month. Is the spending being tracked and efficient/necessary at this time? Recently, at the membership meeting, I heard the question raised as to the line item for membership expense. The response from the treasurer was that it was for the \$5.00 annual MUCC membership dues for each member. So why are there odd dollars and cents? I hope you all realize that these membership meetings are when you have the opportunity to bring up concerns. When you vote to accept the BOD minutes and the treasurer's report, you approve these actions. May I humbly suggest that you take the time to read your newsletter and review what's going on. It's sent through email now, so, if you haven't seen it, maybe check your spam folder. I can deal with change, though sometimes not well. I can't deal with what appears to be rush decisions and lack of information. Thanks for listening.
