From the President

Greetings from the deer blind in sunny Red Oak!

Not a lot to report on this month, but I do have a couple of “thank yous” going out to all who helped make another fabulous Trunk or Treat event. Also thanks to Tons Of Fun party rentals for the bounce house, it was a great addition this year.

Also thanks to the volunteers at this year's hunter's sight in. The range has been busy the last couple of weeks, so I sure hope everyone got zeroed in.

The next big event on the agenda will be our Hunter’s Wild Game dinner in January. We've already received a couple of wild game donations. See the flyer in this month’s magazine.

Last but not least, we hope everyone has a great holiday season, and Santa brings you a new set of tires for your race car, or a new firearm or bow, and most importantly, a new fishing rod!

That's about all for now. If anyone is looking for a last minute shopping ideas, the 2023 membership cards come in so head on in and pay for you and your spouse’s membership and beat the rush at the beginning of the year.

The 2023 OCSC Calendars are in, so pick one up before they disappear!

See you at the club,
Gary

IMPORTANT NOTICE

The club will no longer be mailing paper copies of the Sportsman magazine starting January 1, 2023.

So if you are currently getting the magazine mailed to you, this December issue will be your last mailed copy unless we receive your payment of \$50. You may pay the fee now or when your renew your membership. This fee will cover the cost, for one year, to print and mail the magazine.

There will be paper copies available for pick up at the club office during regular business hours.

The Oakland County Sportsmen’s Club is constantly striving to move in the direction of a more environmentally conscious club. We understand this move may increase fees for some members, but we feel it is a necessary cost saving measure.

The Sportsman magazine will still be e-blasted out to the membership each month, so make sure we have your current email on file. To check your email, contact the office at ocsclub@sbcglobal.net

There will also be an edited version of the magazine available on the club website.

Also, as of this November, you are now able to renew your 2023 membership!
You may renew online, through our website, using a credit card through PayPal,
or you may stop in at the club office and pay in person.

Due the rising cost of banking, the OCSC may begin to charge a service fee for credit card transactions going forward.

The Friends of the Oakland County Sportsmen's Club

Shotgun News

Well, it's been a great run, but I do believe it is time for me to step down. Perhaps I'll be replaced by someone younger, with some fresh ideas to move our Shotgun Club forward.

I'm very proud of what my entire staff has been able to accomplish over the past 10 years (I couldn't have done half of it without the help of everyone involved). There are just way too many individuals to thank, some passed and many still with us. I pray that those still with us will continue to support our new board the way they did for me. That's what we need to keep our club strong.

I still plan to stay somewhat involved in special events such as the Steak & Shoots, Junior Adventure Day, Ladies Adventure Day, Hunters Safety Field Day, and few other events. I'll still be around some.

With that being said, I encourage everyone to come out to shoot whether it be in one of our leagues or just for fun. We are always open to new shooters and try to help out in any way we can. Out of the eight different disciplines we have to shoot at OCSC Shotgun Club, there is sure to be something here for everyone at every level. So please come join us and keep Shotgun Club a strong and fun club to participate in.

Therefore, not goodbye, but see you all later. Soon I hope!

As Always,
Stay safe – Shoot often

Regular shooting hours on Tues & Wed from 6-10pm
Saturday & Sunday from 11am - 4pm

Christmas Blessings and Thanks for all who have blessed us!

By the time you stop to blink your eyes, Christmas will be here! You need an early start, so get moving! Cards at my house usually get started in October. Then gift shopping commences. There are parties and plans, cooking, crafts, decorating, and always last minute things to do.

As we make time for family and friends, please remember there are families with special needs in your community. We are blessed for helping others too.

It's a blessing just to be counted among the present. There are thoughts of lost loved ones and empty chairs at the dinner tables with memories of days past, and present. We all have some hope that those spaces will be filled. That could be "what Christmas will bring". You can always count on change, and not the kind you spend at the store, the kind you have to deal with, learn, and grow from.

Space travel is expanding too. There are passenger tickets for sale for trips to the universe. "Peace on earth, good will to men" could expand to the realms of the stars, planets, and what lies beyond. It gets complicated.

Over the river and through the woods as we carry through the wide and drifting snow, as gas prices go higher than we know. But it's nice to drift off to the comforts of a simpler life of freedom and friends at the Sportsmen's Club.

If you attend the membership meetings the last Wednesday of each month, at about 5:30 you will see our group donating and selling pies, cakes and maybe even raffling off an item of value for the price of a ticket. Much of our proceeds go back into projects for the main club. We also decorate the clubhouse for Christmas every year, and we donate stamps, goods, and time to the Miracle Boxes for our troops. We set up the kitchen for swap meets, gun safety classes, and summer junior adventures. Some of the gardens on the grounds are maintained using many "Women's Auxiliary" hours and donated plants. We also make pies and cakes for funerals that are held at the club.

All ladies of all ages are invited to come and join the fun as we meet every 3rd Thursday of the month at 6:30pm.

Merry Christmas to all and to all a good night!

One egg, one cup sugar, one cup molasses, one tablespoon soda, one tablespoon of vinegar, one tablespoon of ginger, two or more cups of flour, enough to stiffen. Mix and roll thin. Cut small cookies and bake in a hot oven.

“The Bite” The Oakland County Sport Fishing Club News

The Fishing Club is gearing up for our winter ice fishing event. It will be February 19th or 20th depending on the quality of the ice on Townsend Lake. This will be on the first FREE FISHING weekend of 2023 so mark it on your calendar. We would love to have a youth geared event. If you have any ideas on how to make an ice fishing event youth friendly, please come by at our next meeting in December.

We are also getting ready to have a leadership vote for our sub club. We are looking forward to new faces and fresh ideas!

As always, we love to get pictures of your catch on a lake somewhere near us. Please send them to us for posting on the club website.

We'd also love to hear what you think! Come to a fishing club meeting (the third Wednesday of the month at 7PM) or email us at OaklandCountySportFishingClub@gmail.com

Conservation Corner/Michigan United Conservation Clubs

A few months ago I mentioned that I was looking for a place that would recycle monofilament, so far the only group I have been able to confirm is:

Berkley Recycling, 1900 18th Street Spirit Lake, IO 51360

Or, just put it in one of our recycling tubes at either the Townsend Lake dock or the campground dock. You can also bring it to a fishing club meeting and they will take care of it for you! (I will be replacing the missing campground dock recycler soon)

MUCC's annual convention will be in Mt. Pleasant on March 24th – 26th in March of 2023. It is a very interesting process and I encourage anyone who is an OCSC member who is interested to attend. Go to www.mucc.org for more information.

WATERFORD HILLS ROAD RACING (WHRRRI) STICKY TIRES NEWS LETTER

Closed doesn't mean closed! The unexpected warm weather has made it easier for Jerry Pintar, Ron Krantz and crew to finish a big project. The turn 6 runoff area has been leveled and recontoured. More than 80 yards of gravel was added to the enlarged trap. Hopefully, this means that entering turn 6 too hot will no longer be as spectacular as it has been.

The Worker Appreciation Banquet at the clubhouse was a big success. I heard nothing but good things about the food coming out of the kitchen. Thanks to the OCSC staff! By the time you read this, the awards banquet will be done, stay tuned for a report next month.

We have new Board members. Welcome to Anthony Biondo, David Moreno and John Whapham. You guys are in for a treat! Welcome back to Alex Della Torre, Franz Lieder and Geoff Hegel. A fond, and I hope, temporary farewell to Chip and Suzie.

I hope everyone has gotten started on the planned improvements that will make their cars blindingly faster. May will be here before you know it.

With the "retirement" of Chip and Suzie, we need of a Chief of Flagging and Communication and a Director of Racing. Neither are easy, but if you think you can do it and can commit the time, I promise the rewards will outweigh the hassles.

I hope to report next month that we have 6 cars entered for Autorama. We are close now. Plan on dining at the Club. The food has been excellent, the camaraderie is always good, and the beer is cheap! We are OCSC members. Support OUR club.

We will not have a General Membership meeting in December, but we will see everyone's smiling faces January 4th. Until then, I wish everyone the happiest of holidays!

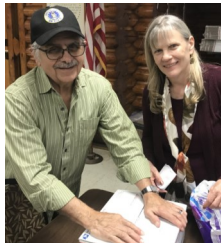

See you next year,
Brian Murphy

IMPORTANT----- PLEASE READ

RED ROTATING LIGHT

NO SHOOTING OR TOUCHING FIREARMS WHILE THE RED ROTATING LIGHT IS ON.

WHEN THE RED LIGHT IS ON, IT MEANS THAT PEOPLE ARE DOWN RANGE AND IT IS NOT SAFE TO SHOOT.

IT IS ONLY SAFE TO SHOOT WHEN THE RED LIGHT IS OFF AND YOU HAVE CHECKED TO BE SURE THAT NO ONE IS DOWN RANGE.

BE SURE TO TURN THE RED LIGHT OFF WHEN LEAVING THE RANGE, AND NO ONE IS LEFT ON THE RANGE.

This is a copy, word for word of the signs that are posted on the Outdoor 25-50-100yd ranges. This applies to all ranges at one time. If someone is shooting on the 100yd and you are on the 25yd, you cannot go down range until the whole range is called safe and the **LIGHT IS ON**. You must stand away for the bench and no firearms may be touched unless it is bagged or in a closed case. There are no exceptions. You must have the light on and everyone on the range notified that the range is being called safe before going down range.

I know this sounds pretty redundant, but this rule is being broken every day. Why would you ever think it is safe to handle a gun, while someone is down range? Why would you ever go down range while someone is still shooting or has a firearm in their hands?

Take a moment to reread all range rules. You may get a current copy from the main office.

Please be mindful of your muzzle and keep your finger on the slide and off the trigger until you are on target.

Please keep our ranges safe.

=====

We have had a lot of problems with members not signing into the ranges properly. The first problem is people are not signing in **legibly, printing, full names and completely**. Please fill in every column including a phone number. Writing **“on file”** is not acceptable. If you are bringing a guest, **YOU** should sign in for them completely. **YOU** must also fill out the Guest Fee envelope with **date** (the same date you signed in), **printing** and **full names** of member and each guest and amount of money in the envelope. Everyone on the range must be signed in and on a separate line. Do **NOT** put M + G in the column where it asks if that person is a Member or Guest. You must use a properly completed Guest Fee Envelope for guest fees. **Do Not Put Loose Money In The Box**. Do not put a blank envelope with money in it into the box. Sounds crazy but members do it all the time. It is like putting loose money into the box (see above).

If you are coming into the range and you use your swipe card to unlock the door and someone else comes in behind you, politely ask them to use their own swipe card to unlock the door. Do not let anyone into the range on your card unless they are with you. **You** are responsible for anyone you let into the range.
