From the President

Greetings from my family to yours, and a Merry Christmas and Happy New Year to all!

Wow where did the year go? It went faster than one of our road racers coming off hill top, down the back straight into turn 6! Maybe even faster than one of our quarter midgets doing a quick 10 laps! That's how fast 2022 went here at OCSC.

2023 is off to a bang already with the famous wild game dinner (sold out) on January 14th. Many thanks go out to Kerry Bush and his crew for keeping this event alive. I sure hope I can win a hat in one of the raffles!

On January 7th we kick off our band night season with a "Holiday Hangover" party with live music from the band Whiskey Business. Come on out to the club from 8pm till midnight!

Then, on January 28th, we'll have a "Back to the Future" party with live music from the band Classic Maniacs. There will be a \$50.00 cash prize for the best 70s or 80s outfit, so get dressed up and come on out to hear some great music and a chance to win some cash!

That's about it for now everyone, have a safe holiday, and I'll see you at the club!

Gary

The Friends of the Oakland County Sportsmen's Club

Our "Mystery Safe" raffle was a success! Congratulations to our winners!

I'd like to thank the Friends Committee for their support and efforts to pull this off; Chris Finazzo, Mary Gaedt, Rick Hotchkiss, John LaPine, Bob Miller, Kyle Ondusky, Terry Ondusky, Tim Ondusky, John Towns, Greg Yourst.

I'd also like to give a big thank you to the sub club donors for their cash contributions to this raffle which allows us to purchase awesome items to fill the safe! Archery, WHRRI, Muzzleloaders, and a very special thanks to the Women's Auxiliary which donated \$1,000! We'd also like to thank some individual members who made cash donations; Todd Moss, and Joe Kapelczak.

Finally, thank you to all the members who purchased tickets! Without your support, we could not have raised almost \$10,000 for the main club!

Hopefully, we'll be able to do our reverse raffle and "Mystery Safe" raffle again next year!

Have a Merry Christmas and a Happy New Year!

Kelly Finazzo, Friends Committee Chair

DON'T FORGET ABOUT THE HUNTER'S BANQUET!

January 14th
Doors open at 5pm
dinner is served at 7pm

Prize raffle table with many wonderful prize opportunities!

Tickets are sold out for this event!

See you there!
Kerry Bush, Chair

Shotgun News

Happy New Year to all!

As we ring in a New Year, we also are ringing in a new Club President. Jake Arendsen has been elected by our members and officially takes over January 2023. Jake has been a club member for the last two years and is active in our shooting leagues. He resides here in Clarkston, He is a Dad of two boys (Luke 5 & Eli 2) and married to his Wife Kirstie since 2014. During the day, his full time job is at McNeil Agency as an insurance agent. If not at the office, he can be found duck hunting Lake St. Clair or sitting in a tree stand deer hunting. Jake looks to keep the strong tradition of the club while implementing some new goals and updates around the shotgun club. In addition to Jake as President, he has also selected new board members to assist him around the club.

Vice President: Kyle Bobolts
Treasury: Dave Malson
Secretary: Al Rojas

Regular shooting hours on Tues & Wed from 6-10pm
Saturday & Sunday from 11am - 4pm

While the new board is excited to take the reins over, there are big shoes to fill. We thank Dan Valentini and his board members for their years of service. Their guidance, time, and energy something we are grateful for and does not go unnoticed. Please thank Dan when you see him around the club.

We are actively preparing for our Shotgun Banquet that will be this coming March 11th. Once again, we will have a great food menu and selection of prizes. Please set that date aside for a great evening of fun. Members and non-members are welcomed to attend. We are still looking for an Elk donation, so if anyone would like to donate to the banquet please contact Dan, Jake or the main club office.

Also, we are looking to hire 2-3 high school aged pullers. Must have completed hunters a safety course. If you know of anyone please send them our way!

Best Regards,
Jake Arendsen-President
OCSC Shotgun Club

WATERFORD HILLS ROAD RACING (WHRRRI) STICKY TIRES NEWS LETTER

For the last few months I've been expecting, and telling you, that the track would be closed up for the winter. It has not been the case! Mostly due to planning but helped along by the milder weather, we have been able finish the canopy over the scale. Ted Johnston did a great job building the aluminum structure in his shop. It fit perfectly over the posts we put in when the scale was installed. You can see it in the spring. The paddock is now the winter home of a whole bunch of trailers – even a portable rock climbing wall! We don't make much letting people park things for the winter, but every penny we bring in is one less penny it costs us to go racing.

When the snow finally comes, the track will be locked down until the spring thaw. Plenty will continue to happen, though. Autorama will be here at the end of February. Plans for Driver's and Flagger's Schools need only finishing touches. We will continue to have our General Membership Meetings and our Comp Board meetings the first Wednesday of each month. The next one is January 4, 2023 at 7PM. Please come out and see your friends and keep abreast of what is going on.

Meetings are the perfect time to patronize the OCSC bar and kitchen. Gary Mobley has worked hard to staff the kitchen. The food I've had has been excellent and the beer is cold and cheap! WHRRRI is our club. But so is OCSC! The main club meeting is the last Wednesday of each month. Make a plan to come and see how we fit into the bigger picture.

Since you may see this before the end of the month, I want to thank everyone for making racing at WHRRRI such a great experience and wish everyone a wonderful holiday and a Happy New Year.

Until Next Year,
Brian Murphy

Desert Angels will be taking a "winter break" January, February, and March.

We will resume packing in April.

Volunteers will still keep packing from their homes.

We have a Michigan Unit in Syria. They are asking for stuff like liquid IV or drip drop, canned food, or dried fruit, jerky, and snack items. they need pepto (many who get sick have no access to a PX)

If anyone would like to send this unit a box please contact me:

Louise@TheDesertAngel.org

Items still can be dropped off at OCSC Tuesday - Saturday 9 - 4pm.

A letter from Romania:

If you're following the news, Europe is where all the action is nowadays -- we have something like 5000 troops in Romania and another 6000 in Poland, probably 100,000 in all of Europe at this point – so things are hoppin.

Your care packages, of course, as always, have been very well-received, the stuff disappears within days - as here on this base we only have a small PX with some of the necessities, and with 5000 troops - including Italians, Canadians, French and Romanians - using it, things don't last long on the shelves.

So the little pocket meals and small cans, microwave-ables, and beef jerky, chips, pretzels, popcorn, pistachios, sweet stuff like MnMs - anything that'll hold over a soldier who missed a meal at the mess hall, really anything like that is a big hit. They're living in tents, for the most part, with no kitchen facilities, but there's usually a microwave oven somewhere nearby.

We got so many packages that the Chaplain Assistant stationed herself outside the chapel and handed them out to passing soldiers - who heard about this treasure, and next thing we knew, more soldiers were knocking on our door asking for a box. But it's getting much colder out, and we can't really rely on that system.

Once again, we can't thank you enough for your fantastic job, I'll try to get you more photos, and perhaps other addresses in Bulgaria and our other locations, but in the meantime, you're amazing, keep up the great work, only blessings to you and yours and everyone with you, and thank you again!

Range Safety Committee

IMPORTANT----- PLEASE READ

RED ROTATING LIGHT

NO SHOOTING OR TOUCHING FIREARMS WHILE THE RED ROTATING LIGHT IS ON.

WHEN THE RED LIGHT IS ON, IT MEANS THAT PEOPLE ARE DOWN RANGE AND IT IS NOT SAFE TO SHOOT.

IT IS ONLY SAFE TO SHOOT WHEN THE RED LIGHT IS OFF AND YOU HAVE CHECKED TO BE SURE THAT NO ONE IS DOWN RANGE.

BE SURE TO TURN THE RED LIGHT OFF WHEN LEAVING THE RANGE, AND NO ONE IS LEFT ON THE RANGE.

This is a copy, word for word of the signs that are posted on the Outdoor 25-50-100yd ranges. This applies to all ranges at one time. If someone is shooting on the 100yd and you are on the 25yd, you cannot go down range until the whole range is called safe and the **LIGHT IS ON**. You must stand away for the bench and no firearms may be touched unless it is bagged or in a closed case. There are no exceptions. You must have the light on and everyone on the range notified that the range is being called safe before going down range.

I know this sounds pretty redundant, but this rule is being broken every day. Why would you ever think it is safe to handle a gun, while someone is down range? Why would you ever go down range while someone is still shooting or has a firearm in their hands?

Take a moment to reread all range rules. You may get a current copy from the main office.

Please be mindful of your muzzle and keep your finger on the slide and off the trigger until you are on target.

Please keep our ranges safe.

=====

We have had a lot of problems with members not signing into the ranges properly. The first problem is people are not signing in **legibly, printing, full names** and **completely**. Please fill in every column including a phone number. Writing **“on file”** is not acceptable. If you are bringing a guest, **YOU** should sign in for them completely. **YOU** must also fill out the Guest Fee envelope with **date** (the same date you signed in), **printing** and **full names** of member and each guest and amount of money in the envelope. Everyone on the range must be signed in and on a separate line. Do **NOT** put M + G in the column where it asks if that person is a Member or Guest. You must use a properly completed Guest Fee Envelope for guest fees. **Do Not Put Loose Money In The Box**. Do not put a blank envelope with money in it into the box. Sounds crazy but members do it all the time. It is like putting loose money into the box (see above).

If you are coming into the range and you use your swipe card to unlock the door and someone else comes in behind you, politely ask them to use their own swipe card to unlock the door. Do not let anyone into the range on your card unless they are with you. **You** are responsible for anyone you let into the range.

Archery Club News

December is typically a pretty quiet month for Archery. It gives us a little break before the Winter Leagues and Instructional Archery kicks into high gear. This year it was anything but, as we held two Friday evening Smackdowns, a weekend of IAA Indoor 3D, rebuilt the indoor target wall, and started up outdoor workbees again on Tuesday mornings.

We had an outstanding group show up and help with the target wall rebuild. It was one of the best turnouts I can remember. The target wall looks like new again! I want to give a huge shout out to all of you that showed up and helped!

I would also like to thank Rob Yahrmarkt for his guidance and help with the Archery Smackdowns. Rob has taken these on and is bringing in an impressive group of archers for these shoots. These shoots have become very popular.

We now have the reverse raffle tickets that were mentioned in last month's article. We will be selling these tickets at leagues, General Membership meetings, and any Archery Club Board Member will have them to sell. The grand prize for this raffle is \$2500.00. The drawing will be April 22, 2023 at 5:30pm in the Main Club House. The proceeds will go to the construction of a Signature Shooting Platform. This is a multilevel outdoor shooting platform that will be very impressive when complete and should create some real excitement at Archery! We're hoping these tickets go fast as we had a limited number printed. Please support the Archery Club by picking up a ticket or two!

Come out and join a league this winter. It's a great way to spend the winter months. Winter Leagues and Instructional start the first week in January as follows:

January 2nd (Monday) - Traditional Leagues at 9:00am and 7:00pm

January 3rd (Tuesday) - Animal League at 7:00pm

January 4th (Wednesday) - NFAA League at 9:30am

January 5th (Thursday) - NFAA League at 5:30pm.

- Target League at 8:00pm (details being developed)

January 6th (Friday) - NFAA League at 7:00pm

January 7th (Saturday) - Instructional Archery Sessions start at 8:00am and 10:00am.

- Youth League at 1:00pm (10 week league)

January 8th (Sunday) - FITA League at 6:00pm

Check the Archery Club Website

<http://ocsc-archery.org> for the latest club news, as well as our Facebook page at:

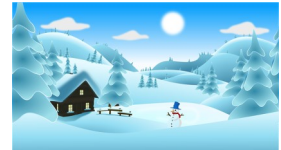

<https://www.facebook.com/OcscArchery>

All leagues (unless noted) are 12 weeks in length. Check the archery club website for a comprehensive description of the leagues.

Remember you are welcome to come to the monthly Archery Club Meeting. The meetings are held on the third Wednesday of the month in the Archery Club Building. We welcome your input!

As usual there is a lot going on at Archery and I hope to see you get involved.

Mike McGinnis, Archery Club President

Women's Auxiliary

Happy New Year!!! Hopefully, you were able to go back to many loved traditions during the holidays of 2022: decorations, foods, preparations, family and friends gathering in person, concerts, plays and other welcome memory makers. Boy, the pandemic put a halt to and/or changed many traditions.

With the success of band nights and Trunk or Treat, maybe we can get back to a bit more normal. Rentals seem to be picking up. Hunter's Banquet is back, albeit only for one day, not two. It sounds like Shotgun is planning their banquet again. The Mystery Safe Drawing has either just been held or is about to be held. Maybe that can go back to the much-loved and well-attended banquet, complete with raffles, auctions, games and camaraderie. Perhaps there's hope for other OCSC traditions to be revived. There may need to be adjustments, but some that come to mind are the St. Paddy's Warm-Up, the Easter Egg Hunt, the Volunteer Recognition event, The Haunted Forest, the Kiddie's Christmas Party and the Club Christmas Party. Granted, these things take a lot of work and coordination, but they are opportunities for club members to be back in touch with one another and keep our traditions alive. Once in a while, they may even bring revenue to the club. Let's pass this wonderful treasure on to future generations.

President's Comments: Gary Mobley
We had an incident at the club where a club member was injured and we had no "IN CASE OF EMERGENCY CALL" contact info on file which shed light on a problem we didn't know we had. As a solution we are asking club members to please give the office emergency contact info in case there is another incident where you are injured, we will have someone on file to call. This request will be added to the new membership applications as well as the member renewal forms. If you have already turned in that paper work please reach out to the office to give them that info. The nominating committee is interviewing candidates for executive board positions as well as board of directors positions. Anyone interested in joining either board is asked to contact Al Jacobs to schedule an interview. The bar will be closed the Fridays of December 2,9 and 17 for private rentals that were booked last year. I have heard a lot of comments about people not being able to get volunteer hours for dues reduction now that fish fry isn't running. Well believe me when I say there is NO shortage of work to be done around here anyone looking for hours please contact the office we would love to have some volunteers help out around here. Special thanks to the Womens Auxillary for decorating the hall for the holiday season. PROGRAM SUBJECT Womens self defense and empowerment by member Karen Noel. Karen discussed the services and

opportunities that her organization called Spirit Lead LLC offers. Spirit Lead is a sisterhood place where like minded ladies come to learn, share, support and encourage other ladies in the development of not only firearms skills but in the safety skills and resources to become their own first responders.

SPECIAL EVENTS

Hunters Banquet : Kerry Bush is once again the Commander in CHEF. Tickets are on sale for \$35 each at the office, there are 200 seats available. Members can purchase up to 8 tickets. We made more seats available in the bar area, but they are on a first come, first serve basis as are all the seats. The past presidents table will be back, and I will be sending out invitations next week. There have been 9 deer donated and 1 wild boar. We still need a few more deer since this year, bison and elk are not readily available. The menu will continue to be adjusted as items become available, but I do expect to have Frankie's Meat Loaf on the menu and maybe Yak balls if that works out. Many vendors are adding prizes to our raffle table and the selections are looking very good. I will need some experienced sharp knives to help prepare the venison for cooking. We will begin on January 9th until we are finished. Cooking will also be done that week. If you are interested in becoming the Chairman for the Hunter's Banquet, please let me know. It's time for me to pass the baton.

JR RIFLE: Ed Kretsch

In case you didn't know the Jr Rifle sub club was the first sub club of OCSC. It was started in 1945. The relationship formed between the Jr rifle club, the NRA and the CMP is what allowed the club to get its not for profit status with the IRS. The Simpson family has been involved with the sub club in some fashion or another for over 40 years. The JR rifle sub club supports the main club by staffing the hilltop concession trailer, supporting both the junior and womens adventure days as well as hunter safety program and Boy Scouts of America programs. We also partnered with the DR. Wilson subclub to create a scholarship for our junior members. JR rifle doesn't get any money from the main club. We are funded by the tips we earn at the hilltop and other events. We also get funding from the swap meet and our subclub membership dues. Currently we have about 10 card carrying members and I would like to ask all of you to help support the JR rifle subclub by becoming a member. Dues are the same as all the other sub clubs. \$5.00. We are also selling empty chamber indicators 3 for \$10.00. (BTW these are pretty nice)

SHOTGUN: Dan Valentini

Dan Valentini has been the shotgun club president for the past 10 years. We are sad to hear Dan is retiring from that position and thank him for all he has done for the club and its members. THANK YOU DAN!!! The shotgun club had its annual election for their board and Jake Arendsen was elected as the new president of the shotgun club. THANKS JAKE! Dan would like you all to know how thankful he is for your support and especially those that were influential in his being a success as president.

Range Closings and Organized Shoots

PLEASE CHECK OUR FACEBOOK PAGE OR OUR WEBSITE FOR ALL UPDATES ON RANGE OPENINGS, CLOSINGS HOURS AND RESTRICTIONS.

This page is only as accurate as the information given to the office by the first Wednesday of the month and already approved at the General Membership Meeting. Make sure your Sub club sends in information on a regular basis. If you have any questions on range closings please contact the appropriate Sub club.

All members and their guests must sign in to use the ranges! There is a \$10.00 guest fee for each guest per day, and must be paid prior to shooting. There is a maximum of 4 guests per member. If you are going from range to range, it is the responsibility of the member to fill out the range book and the guest fee envelope, enclose the proper fees, and place it in the guest fee box.

This is your club, report all range violations and any misuse to the club office.
