## From the President

Greetings lots going on at OCSC, seems something is going on every weekend! If it's not a super bowl party, it's a rockin band night. Seems the only thing missing around here is you!

You see this club doesn't only survive by shooting sports or racing, it's the special events we schedule that keeps us chugging along, so please help us get the word out about our special events and maybe even participate with family and friends they really are a great time.

At our February meeting our steak fry will return a full New York strip dinner for \$12.00 so come hang out with friends around the grill prior to the meeting.

Last but not least, if you you haven't already paid your dues, it's that time again!

So, see you at the club!

Gary

## From the Club Manager

Hello OCSC family and friends!

I would like to thank everyone for their warm welcomes, and warming stories. It is truly a blessing to be a part of this community, thank you.

I am open to all suggestions, past memories and complaints. Please feel free to leave a comment in the suggestion box which I do check daily. I would love to hear about some of your past memories, favorite events, or just an idea you may have.

With that said, I understand how much the fish fry means to our families and friends of the OCSC community, which is why I am working to bring it back. As I work to do so, please reach out to the office if you are interested in volunteering to help.

As the warm weather approaches and the activities start to ramp up, I encourage you to bring your family and friends to see our beautiful 248 acres and enjoy some great laughs around the table in our restaurant.

Hope to see you all around the campfire soon!

Nick Acosta  
OCSC Club Manager

## Muzzleloaders/Clan of the Wolf

Do you ever smell wood smoke coming from the Southeast corner of the Oakland County Sportsmen's Club property on a cold Sunday morning? If you follow the smoke, you will find the Clan of the Wolf participating in one of their Winter Fun Shoots. Each Sunday January-February (and sometimes March) starting at 10:00am, the Muzzleloaders have a Fun Shoot back by the campground. Snow or shine, the fun shoot will be held. Over the campfire you will find many Dutch ovens with a variety of delicious meals to warm up the shooters.

The Fun Shoot is open to the public. There is a \$5 fee for members and a \$10 fee for guests. Everyone is welcome to bring a dish to pass. Shooters are always hungry. Targets vary week to week, but there will be 10-13 steel targets plus a tie breaker. The shoot is open to all traditional Muzzleloaders including cap lock, flintlock, and trade gun. Prizes are awarded at the end of each shoot. Period attire is encouraged but not required.

If you enjoyed attending a Fun Shoot, you will really enjoy a Rendezvous! We have two Rendezvous events per year during both the Spring and Fall. This year they will be May 19-21 and September 15-17. A Rendezvous is an event where we try to recreate the Rendezvous of the 1700-1800's when fur traders would gather at a known location to trade the fur pelts they trapped all year for the necessities they would need to survive the coming year in the wilderness. Period accurate tents and equipment is required if setting up in the primitive campground. Any items that are modern are to be hidden out of sight. Period attire is not required but would be appreciated. Guests are welcome to visit and experience the gathering. Trappers were a competitive lot, and this event will be no different. In addition to cap lock, flintlock and trade gun shooting, participants will compete in black powder pistol shooting, knife and tomahawk throwing, flint and steel fire starting, and primitive archery. Prizes are awarded for best scores in the various events. Mark your calendars.

The Muzzleloader's Club is always looking for new members. If you think you might be interested, stop by and we'll get you shooting. You don't need your own equipment to try this out, we will set you up with equipment and someone experienced. Once the smell of black powder gets you hooked, we'll help you find the gear you need.

Hope to see you soon,

Kerry Bush  
President Clan of the Wolf

# Conservation Corner

Did you know that your club is trying to do its part to reduce waste and recycle? Our food service has its waste cooking oil collected by Evergreen Grease service located in Adrian Michigan. (You may have seen the collection bin located just outside the kitchen door). Grease from the Henny Penny fryers and the French Fryers are stored in the bin until it is collected and hauled away by Evergreen who pays us for the oil that otherwise would have ended up in the landfill. The oil is cleaned and then sold to other companies who turn it into; biodiesel, chicken feed or Soaps and lotions!

Saturday February 4th I represented our club in the Clinton River Watershed Council's Winter Stonefly search. We look for stonefly larva and adults in the winter because that's when they're actively looking to reproduce. Why do we look for them? They help to indirectly tell us about water quality (pollution levels). This search is conducted all along the Clinton River Watershed which covers over 760 square miles. OCSC is the most northern site along the river and its tributaries that run all the way to Lake St Clair.

Again this year I did not find any stonefly nymph or adults. I did find large numbers of other species that indicate our part of the river is healthy. I spoke to Eric Diesing, the watershed ecologist from CRWC, and he is not surprised that we do not have stonefly near the club. Near OCSC the Clinton River runs slowly and the river bottom is mostly silt, sand, and decaying vegetation. Stonefly like faster moving waters with sand, rocks, and wood cover.

If you have any conservation or habitat improvement ideas or would like to participate in OCSC's conservation efforts please contact me.

I'm always looking for volunteers to help. The next Clinton River 'Adopt a Stream' river monitoring will be May 6th 2023. Contact me or [www.crwc.org](http://www.crwc.org) if you are interested in learning more.

## Women's Auxiliary

Greetings from the OCSC Women's Auxiliary! We hope you enjoyed the Super Bowl and had a nice Valentine's Day.

I would like to tell you about some of the things we have planned for the future. On Thursday, **March 2nd**, the Auxiliary will have a joint meeting with the Waterford Branch of the Woman's National Farm and Garden Association. It will start at 6:00 pm in the main hall and there will be a guest speaker. The topic will be announced in the near future. We invite all club members, friends and family to join us.

On **Saturday, April 1st, at 1:00 pm**, we are going to have an Easter Egg Hunt! Children will be divided by age groups – 1 to 3 year olds, 4 to 6 year olds, and 7 and 8 year olds. Each age group will be in a separate location. There will be prizes for the most eggs in each age group, as well as for the child who finds the Golden Egg in each group. Eggs will be hidden outside on the club grounds so please dress children appropriately for the weather. Grown ups will not be allowed to assist children. We'll have an Easter Bunny available for photos.

Finally, on **Sunday, May 21st, from 9:00 am to 3:00 pm**, we are hosting a Trunk Sale. \$20 will buy two parking spaces in a marked portion of the Club parking lot. Bring your unloved and unwanted items to sell, trade or whatever. The club will be selling unused furniture and other items, also. More information about this event will also forthcoming.

All of these things are on top of our regular Bake Sales at the monthly meetings. Please contact Anne Mobley, president of the OCSC Women's Auxiliary if you have any questions, comments or concerns.

## WATERFORD HILLS ROAD RACING (WHRRRI) STICKY TIRES NEWS LETTER

I hope winter, mild as it is, is going well for everyone. I trust that the major improvements that will turn your car into a lap record holder are at least half finished by now! It's easy to think you still have plenty of time, but by the time you read this, racing is only two months away.

I didn't mean to mislead anyone about "mandatory" attendance at monthly meetings. My poorly worded sentence was meant to remind everyone that everything you need to stay a current racer; OCSC dues, license fee, reserved paddock spots and car numbers are available during the meetings. Come see your friends, share a meal and a drink and sign up for racing 2023.

I will keep writing this because it still applies: Meetings are the perfect time to patronize the OCSC bar and kitchen. Gary Mobley has worked hard to staff the kitchen. The food I've had has been excellent and the beer is cold and cheap! WHRRRI is our club. But so is OCSC! What goes on at the parent club has a significant effect on our club. All of us should participate in how the Club is run. The main club meeting is the last Wednesday of each month. Make a plan to come and see how we fit into the bigger picture.

If this comes out before Autorama, please sign up to come down to Cobo to help out.

We have talked about this at our meetings, but just a reminder that soon (March or April?) OCSC we'll be having a charity scrap aluminum drive. The sub clubs will be competing to see who can turn the most in. We, as racers, should win the competition far and away with all the bent rims, radiators, etc. that just sit in a corner somewhere. I will have more details soon.

Until next Month,  
Brian Murphy

HAPPY  
march

# Desert Angels at Work at OCSC

Desert Angels will be taking a "winter break" January, February, and March. We will resume packing in April. Volunteers will still keep packing from their homes. Donated items can be dropped off at OCSC Tue - Sat 9 - 4pm.

We have a Michigan Unit in Syria. They are asking for stuff like liquid IV or drip drop, canned food, or dried fruit, jerky, and snack items. they need pepto (many who get sick have no access to a PX) If anyone would like to send this unit a box please contact me: [Louise@TheDesertAngel.org](mailto:Louise@TheDesertAngel.org)

Thank you for the continued generous donations to Desert Angels, Inc. As of Jan. 30, 2023 postage increased to \$21.20. Just for your information, here is our wrap up for November: 243 Individual stockings, 128 Group Stockings, 4,170 Bags of Christmas Joy Candy, 729 Total boxes for November 2022! With the 2023 postage increase 729 boxes x \$21.20 = \$15,454.80! (this does not take into consideration the cost of donated items in the box).

**THIS INCREASE WILL NOT** distract us from our mission. Cash donations for postage are welcome anytime!

We are also asking for some pocket quilts. If you are interested In making some, please click on this link to learn how:

<https://diyjoy.com/how-to-make-a-pocket-prayer-quilt/>

They look like this:

*"And so, my fellow Americans: ask not what your country can do for you--ask what you can do for your country.*

*My fellow citizens of the world: ask not what America will do for you, but what together we can do for the freedom of man.*

*Finally, whether you are citizens of America or citizens of the world, ask of us here the same high standards of strength and sacrifice which we ask of you. With a good conscience our only sure reward, with history the final judge of our deeds, let us go forth to lead the land we love, asking His blessing and His help, but knowing that here on earth God's work must truly be our own."*

President John F. Kennedy

Message from the wife of a Michigan soldier:

"I wanted to let you know we truly appreciate everything you did for the 156 ESB by sending care packages. My husband will be home this week, and hopes to surprise our kids Monday at school in Linden, Mi."

## Shadow

It is with deep sorrow and much love that we mourn the sudden passing of David Lawrence Slating of Davisburg, Michigan on Tuesday, February 7th, 2023, at the age of 78 years.

An avid hunter and fisherman, David will also be dearly missed by his friends at the Oakland County Sportsmen's Club, where he taught his sons to enjoy the outdoors, which he loved.

Memorial donations may be made in David's name to the Oakland County Sportsmen's Club, who have been proudly promoting conservation and sportsmanship since 1943, two things very close to David's heart.

To donate, please make checks out to the OCSC and send to: OCSC, 4770 Waterford Rd., Clarkston, MI 48346 Make sure to notate that your donation is in care of David Lawrence.

The members of the Oakland County Sportsmen's Club send David's family and friends our condolences. David was a life member of the club and will be sorely missed.

## Archery Club News

Winter Archery Leagues are running strong and we are already better than half way through the season! The Winter Banquet will be on April 15<sup>th</sup> so make sure your calendar is free that evening.

In late January we held the IAA Lancaster Warm-up. This was a spot money shoot that drew some excellent archers to our club. We had a full house of 48 archers and lots of spectators in the range. It was a wonderful sight to see the building packed!

The money shoots have become very popular and draw archers from all over the State and even Canada to our club.

On the weekend of February 25<sup>th</sup> and 26<sup>th</sup> we will be hosting the Tri County NFAA shoot with four line times over the weekend.

Workbees are continuing through the winter with a lot of outdoor course clean up in preparation for a very busy summer season. We have several very big shoots planned for the summer. If you are interested in getting involved, we get together Tuesday mornings at 9:00am.

Our reverse raffle tickets are still being sold to build a Signature Shooting Stand. The drawing date for this is coming quick to so get a ticket (or tickets) before they are gone. The grand prize for this raffle is \$2500.00. There will be \$50 payouts every 25<sup>th</sup> ticket drawn. The drawing will be April 22, 2023 at 5:30pm in the Main Club House. Only 150 tickets will be sold! (R67815)

Remember you are welcome to come to the monthly Archery Club Meeting. The meetings are held on the third Wednesday of the month in the Archery Club Building. We welcome your input!

I encourage you to check the Archery Club Website often at <http://ocsc-archery.org> for the latest club news as well as our Facebook page at <https://www.facebook.com/OcscArchery>.

If you aren't already, I encourage you to come over and get involved with archery. We have a great group of folks on the other side of the road!

## 2023 Hunter's Banquet Final Report

First, I would like to thank everyone who attended the 2023 Hunter's Banquet. The event was again a sell out! I hope you all enjoyed it.

This year we were able to return to our original wild game format and have buffet style serving. Venison, Elk, Bison, wild boar and Yak were our game choices this year with upgraded potato and veggies. We even had some alligator, moose and whitefish livers to start the meal. I hope you were able to get a taste. A big thanks to the club members who were able to donate game for your meal. We had 9 deer and 2 wild boars donated.

We also updated the table raffle to a bucket format to allow our guests to have a better chance at winning a prize they really wanted. And, once again, our prize sponsors really came through and allowed us to offer many high-quality prizes on the table. Thanks to Hunters In Sight for running the for the card raffle. We had more card pulls than any other year!

I would especially like to thank the many volunteers that stepped up to staff the event. This is an all-volunteer army to pull off the Hunter's Banquet and we had an excellent turn out with many new faces.

And finally, I like to thank the Club Staff for their support and allowing us to disrupt normal operations for this special night.

We are looking for a new chairperson to manage next years Hunter's Banquet. The 2023 event was my last, and I'm hoping someone will step up to continue this great tradition, so that in the future I hope to finally get a chance to sit down and enjoy the meal. Please notify me or call the office if you think you would like a chance to add your special touch to future Hunter's Banquets at the Oakland County Sportsmen's Club.

Thanks for your support,

Kerry Bush, Chairperson for Hunter's Banquet 2023
