The History of Independence Day

The American Revolutionary War began in April of 1775, at a time when Americans were unhappy with the British ruling of the colonies. This hostility towards the country was furthered in 1776 with the publication of Thomas Paine's pamphlet titled "Common Sense".

On June 7th, 1776 a Congress with representatives from all colonies met in Philadelphia. It was during this meeting that Richard Henry Lee made a compelling argument in favor of the colonies independence from Britain. So, a committee was formed, comprising several American household names: Thomas Jefferson, John Adams, Roger Sherman, and Benjamin Franklin. They were tasked with drafting a formal document declaring the independence of the colonies from Great Britain, with the intent of forming their nation.

Thomas Jefferson wrote most of the Declaration with the help of others in revising and improving it. Jefferson's political background and experience with writing other statements in the nation's defense made him most suitable for this job.

After its completion, Congress unanimously cast its votes in favor of the Declaration of Independence on July 2nd, and it was Officially adopted on July 4th.

The Declaration of Independence contained five sections:

- the introduction
- the preamble
- the body is divided into two sections and
- the conclusion

On July 8th, 1776, the Declaration had its first public reading and brought a feeling of relief and victory to the young nation.

July 4th was officially made a federal holiday by Congress in 1870. In 1941, a law was passed turning it into a paid holiday for federal employees that became a bigger symbol of patriotism over the years.

The day of July 4th (Independence Day) has been since known as America's Birthday, and is mostly a day to pay tribute to those of the first American generation who fought for their freedom.

From the President

Greetings!

I'm keeping it short and sweet this month.

We have new daily specials in our bar/restaurant, many changes even a full lineup of healthy salads. Since that's all I'm supposed to eat, I guess this is a good change. Since we've made some changes, the next time you're at the club shooting, racing, or fishing, or maybe you're just out here throwing tomahawks, instead of going to a restaurant on Dixie Hwy. how about stopping in and give your club a try.

All for now, Gary

Vice President's Corner

The last weekend in May was a very busy time for this club. If you were here, the whole parking lot was filled to capacity with Quarter Midgets racers and all of their equipment. They were also camping on the 100 yard Outdoor Range. The race track (WHRRRI) had a race going and the campground was full. The Action Pistol Range (APR) has been very busy with lots of events happening there. The ladies adventure had a great turnout and was quite a success.

We have been busy getting things fixed at the club as they come up and have had to purchase some new refrigeration equipment to keep up with the demands of the kitchen. As of this writing the new handicap cement ramp is being finished by the Boy Scouts' Eagle Project and it really looks professional!

There are lots of things and events to do at the club and if you want to help out with some of these, contact the office and get on a workers list. Please consider helping with some volunteer hours, it is rewarding work and a good way to meet other club members.

See you around the club!

Warren Pratt
OCSC 1st Vice President

Muzzleloaders - Clan of the Wolf

May and June have been months for the Clan of the Wolf members.

May rendezvous brought to mind a quote from Shakespeare... "Rough winds do shake the darling buds of May and summers lease hath all too short a day". As is usually the case, we persevered through the rain, cold and wind. Despite the weather, everyone had a great time. The club members should be very proud of the way so many pitched in and work together to get the job done.

May also found the members participating in Junior Sportsmen's Adventure Day. Throngs of youngsters descended upon the muzzleloader grounds to learn many skills that may very well prove useful in their future. It was a busy day!

June brought another opportunity to hone our skills by teaching 80 ladies some of the tricks of our trade. The second annual Ladies Adventure Day was thoroughly enjoyed by the women who participated and those of us working the event as well. The Gary and Gary show instructed the ladies in the art of making fire with flint and steel. Other Clan members provided tutelage in firing a muzzle loading rifle, and throwing a knife and tomahawk. For their efforts everyone was presented with a plate of fruit cobbler that was cooked in cast iron Dutch ovens. Congratulations to Monique for putting this together and doing a great job with her team.

Rendezvous event winners:

- Rifle - 1st Gary Hamilton, 2nd Walt Kowalewski, 3rd Nick Ewing
- Pistol - Gary Bratton
- Archery- Gary Bratton
- Fire starting Art LaBelle
- Tomahawk Rick Hamilton
- Knife throwing Tyler Dollarhite
- Tradegun 1st Dave Leonard, 2nd Gary Bratton, 3rd Marv Davis
- Aggregate Winner Gary Bratton

Shadows With Sympathy

On May 14, 2023, OCSC Life Member Bill Ballard passed away.

Bill was an avid archer, and was on the OCSC Archery board for many years. He helped with the instructional program and got a lot of kids on their way to a lifetime of fun.

The OCSC Family sends our condolences to his family and friends. He will truly be missed.

On May 21, 2023, Flo Miracle, loving wife of OCSC Life Member and Past President Art Miracle, passed away.

May it give Art and his family comfort in knowing that we are saddened by their loss and we share in their loss.

On June 12, 2023, OCSC Life Member Charlie Ostrom, husband of OCSC Life Member Debbie Horachowa, passed away.

Charlie was a regular worker at our Friday Fish Fry dinners, and he was always fun to talk to or play cards with. Charlie was a great guy and he will truly be missed. Our condolences to Debbie.

“The Bite”

The Oakland County Sport Fishing Club

It has been a busy spring for your fishing club!!

In May, we participated in the Junior Sportsmen’s Adventure day helping over 70 youngsters learn about fishing, safe boating and how to have a good time out in nature. We had our Coast Guard Boat Inspections and Swap meet on May 17th. May was also the start of our Thursday night “Fishing League”....it has been growing each week.

In June, we helped with the Women’s Adventure Day. A lot of the participants had never been out on a lake or fished before.....all had a great time!!

We also had our 2nd Annual “FREE FISHING WEEKEND” event at Townsend Lake on June 10th. It was a great day on the lake with six boats, a kayak, and one canoe! All were catching fish on a picture perfect day. After fishing, we had an amazing shore lunch... A special thanks to Rich Dziurda and his crew for putting it all together!! We are looking forward to the next “Free Fishing Event” in February 2024.....Hopefully we will have ICE this year...

Our weekly fishing league is Thursday afternoons at 5PM and is running through July. We will be picking a different Oakland County lake each week. We always meet at the dock with your boat/kayak/canoe, or, you are always welcome to join one of the other captains on their boat. Come to a fishing club meeting, contact a club member or check out the fishing club page on the OCSC website for more details. Oaklandcountysportfishingclub@gmail.com

Come out to an Oakland County Sport Fishing Club meeting...the third Wednesday of the month @ 7PM.

THE PLEDGE OF ALLEGIANCE

I pledge allegiance to the flag
Of the United States of America
And to the republic for which it stands,
One nation under God, indivisible,
With liberty and justice for all.

Some Food for Thought.....

A few items came up during the Monday Board of Directors meeting that was also then brought to the D.R. Wilson meeting on Wednesday. I'm taking the opportunity to bring this to your attention now as we need to get right onto these.

1. The club as a whole depends heavily on member volunteers to run our programs and keep the club in business. We need to do something to let people know when help is needed and where, and we are looking for suggestions. Email blasts get limited response, and those I send are only going to D.R. Wilson members, where help from any club members could help for most general opportunities. Perhaps central volunteer/opportunity lists could be maintained by the office or posted online somehow. We have to do something.

The Club Bar

2. We need to encourage greater use of the bar and restaurant. Any time we have events going on, please encourage the participants to use our facility rather than heading out to the bars and restaurants up and down Dixie Highway or elsewhere. We have new cooks in the kitchen, and the food is better and cheaper than most of the other nearby locations. Sure, alcohol is prohibited before and during your shooting, but is fine afterward. "Shots 'N Shoot" NO, "Shoot 'N Shots" YES.

3. New name for the Bar & Restaurant. **We NEED one!** The "Oakland County Sportsman's Club Bar etc." is just way too long, and confusing a name. People keep confusing us with the "Sportsman's Great Northern Bar and Grill" down the road at Dixie Hwy and Waterford Rd. **We are looking for suggestions.**

The new name should be simple and memorable. Perhaps a single word, like "Shooters" (Which for several reasons isn't suitable, unfortunately.), but hopefully would relate to or make people think about what the Club is about. Yes, we're heavy on shooting/target sports, but don't forget the track and lake activities. Also, beware of names similar to other area bars, grills, and restaurants. There are a lot of them, so you'd best do an Internet search for any name you come up with. Perhaps something with a name similar to a place in another State or Country, but definitely not a place in Michigan. It probably shouldn't be something too obscure either. ("Wilson's" might honor our founders, but how many people would make the proper association with the name?)

An appropriate image or logo, and a font, would help as well, but let's come up with a name first.

Please think about this, and if your creative Muse whispers something in your ear and it checks enough of the boxes, call it into the office or send an email to get it on the list. Hopefully we'll have some choices to consider by the June or July General membership meeting. Thank you.

Range Safety Committee

Specific calibers **NOT** allowed on Indoor Range are .223, .556, 10mm, .357 magnum, .357 Sig, 5.7 x 28. This list is **NOT** inclusive of all calibers that are **NOT** allowed.

We have had a lot of problems with members not signing into the ranges properly. The first problem is people are not signing in **legibly** and **printing full names completely**. Please fill in every column including a phone number. Writing “**on file**” is not acceptable. If you are bringing a guest, **YOU** should sign in for them completely. **YOU** must also fill out the Guest Fee envelope with **date** (the same date you signed in), **printing full names** of member and each guest and amount of money in the envelope. Everyone on the range must be signed in and on a separate line. Do not put M + G in the column where it asks if that person is a Member or Guest. You must use a properly completed Guest Fee Envelope for guest fees. **Do Not Put Loose Money In The Guest Fee Slot**. Do not put a **blank** envelope with money in it, into the box. Sounds crazy but members do it all the time. It is like putting loose money into the box (see above).

If you are coming into the range and you use your swipe card to unlock the door and someone else comes in behind you, politely ask them to use their own swipe card to unlock the door. Do not let anyone into the range on your card unless they are with you. **You** are responsible for anyone you let into the range.

FIRE!

Our dry spring has led to large fires in Canada and across northern Michigan. There is currently a high risk for fires in our area. Its campfire season, so please visit www.michigan.gov/preventwildfires to learn about fire prevention and where and how burning is allowed. You should also check with your local fire department and township offices before you burn outdoors. Keep your fires contained in a “fire ring” and always have a water source and tools available (such as metal rakes and shovels) to put out any sparks and to completely extinguish your fire before leaving it for the night.

If you have any conservation or habitat improvement ideas or would like to participate in OCSC’s conservation efforts please contact me.

I am always looking for volunteers to help. The next Clinton River ‘Adopt a Stream’ river monitoring will be October 7th 2023. Contact me or www.crwc.org if you are interested in learning more.

Archery Club News

Summer has just start and it seems as we are moving along at a fast pace with all the events scheduled for this summer. Leagues are moving right along and we just finished two of our big events for the summer with another coming right up!

On the weekend of June 3rd and 4th we held the MAA420 on the racetrack infield. The infield always presents some interesting shooting conditions. Not only is it a unique venue for a tournament but the weather can also be a challenge! On Saturday it was very warm and Sunday we had a very windy day. Attendance was a little lower this year but, I think everyone that came out to shoot had a great weekend!

The Traditional Archery weekend has also just concluded. Our club members did an awesome job with the course and fun shoots. The grill was going and there were some good eats to be had! After weeks of beautiful weather Mother Nature decided, it was going to rain on Sunday but, luckily it didn't seem to affect the shoot too much.

As I write this months article we are preparing for another major shoot coming right up. We will be hosting the NFAA Great Lakes Sectional on June 17th and 18th. This is a Field and Hunter shoot on our more technical course.

On July 1st we will be holding a brand new event the, Midwest Safari Triple Crown. The first event in the Triple Crown was held in South Bend, Indiana several weeks ago and there many good reviews about the shoot. This shoot is on the Field and Hunter course shooting high quality paper animal targets from varying distances, with some out to 80 yards. There are money and fun classes for everyone to compete in. Registration is open now for this shoot. Check our Facebook page and website.

In August, on the 5th and 6th we will be hosting the MAA Target Championship again this year, on the racetrack infield. If you want to experience an awesome venue and shoot you better get signed up for this one since it will be moving to another club next year.

On August 18th thru the 20th another new event is coming to our club which will be drawing archers from other countries. We will be hosting the International Field Archery Association - North American Field Archery Championship. This is sure to generate some good publicity for our club!

To finish up the summer events we will be holding our 50th Anniversary Bowhunter Jamboree on September 9th and 10th. Don't miss this one!

Much work has been done this summer, and is continuing to be done, to get our outdoor courses in good shape for all the events and for our leagues.

One thing that has been noticed is the lack of our own club members at many of these events. Its puzzling to me why so many of our own club members don't participate at the events at our club. I don't know if it's the lack of knowledge about these shoots or maybe some of our club members are nervous to compete on the same stage with many of the area's best archers. One thing is for sure these events are fun and you meet many great new people. If you aren't competing at a high level, believe me, no one cares about your score! I would really like to encourage our club members to come out and take part in these events. I think once you break the ice you will find out what you have been missing.

Please join us at the monthly Archery Club Meeting. The meetings are held on the third Wednesday of the month at 7:00pm in the Archery Club Building.

Make sure you to check the Archery Club Website often at <http://ocsc-archery.org> for the latest club news as well as our Facebook page at <https://www.facebook.com/OcscArchery>.

As always, I encourage you to come and get involved with the Archery Club. We have a great group of people!

We will be collecting and packing snacks and toiletries for our deployed military on July 20th at 4pm

Hello Everyone! I have been very sick, I spent 11 days in the hospital. I had Gallbladder surgery, and developed pancreatitis. On top of that, Charlie fell and fractured his pelvis! We are both home healing, slow and steady!! I am forever thankful and grateful for my family, great neighbors, and friends!

We will resume packing parties in July!

Thanks to Laura - Momma Q, who has made sure every contact we have has received June packages. I just received the message below asking for your help, we will collect items and send boxes to them soon.

Thank you
 Louise

Good morning. I wanted to thank you and your team for all that you do! Your packages delivered here at MK Romania have done more than you know for our service members. These small reminders of home do so much in boosting morale for all. After speaking with the Red Cross team, I will be moving to our site in Lithuania, it seems that they have little to no resources for the 1,500+ service members at their site. I wanted to reach out to you to not only give thanks, but to ask if you can spread the love to this site as well. This site is in the middle of the forest and has a very limited PX and the nearest town is almost two hours away.

Shotgun News

Grab your shotgun, grab a friend and come out to OCSC Shotgun Club to join in the fun! Warm weather (well, mostly warm) has arrived and the OCSC shotgun club is humming with activity.

There's a new Board at the club:

Michael Graham- President
Ron Berezniaci – VP
Ed Keiser – Secretary
Dan Valentini – Treasurer

OCSC Shotgun thanks the prior management team.

A new league is just getting underway so come on out and join the competition! League applications are available at the Shotgun club house desk.

The club has already hosted several “Steak & Shoot” events with more scheduled through the summer. These are fun events for participants... shoot 25 clay targets and then relax and enjoy a delicious steak dinner. These events are ideal for corporate/team events. Contact Dan (248-752-6562) or Michael (248-417-5951) for details.

Hope to see you soon!

WATERFORD HILLS ROAD RACING (WHRRRI) STICKY TIRES NEWS LETTER

We are now a third of the way through our season- time flies! I think we have been very well behaved, both in our driving and our car preparation. I hope I'm not jinxing us, but we have yet to be called out to twist away on a quarter mile long oil spill!

Race weekend 2 with our SCCA guests drew quite a crowd, both racers and spectators. We had 110 cars registered for the weekend. Hats off to Mary Shilloff and Tracie Morlewski for how smoothly registration went. Hats off too, to Jerry Shilloff and his stewards for the well run weekend.

We continue to have a good crowd of flaggers at the corners. Ron Cech is still doing an amazing job. Since I'm heaping praise on volunteers, the epitome of dedication has to be Pam Krantz. Feeling terrible and temporarily wheelchair bound, she is having Ron wheel her into the Paddock Shoppe so she and Sharon, her sidekick, can open for business.

Jerry Pintar shopped for and bought us a new grill for our Saturday night cookouts. I can't wait to use it on Saturday of Race weekend 3. I hope you can plan to stay and enjoy food, drink and the company of your fellow racers. We appreciate a donation and possibly a dish to pass.

I have pretty much decided to close each Sticky Tires with a reminder that we are already members of OCSC and that we owe the club our loyalty and participation. As is the case with WHRRRI, it seems that 95 percent of the work gets done by 5 percent of the members. Despite there being more than 130 WHRRRI members, I don't think I see more than 10 of us at the OCSC general membership meeting. We can do better. Think about it!

See you at the track.
Brian Murphy

This page is only as accurate as the information given to the office by the first Wednesday of the month and already approved at the General Membership Meeting. Make sure your Sub club sends in information on a regular basis. If you have any questions on range closings please contact the appropriate Sub club.

All members and their guests must sign in to use the ranges! There is a **\$10.00 guest fee** for each guest per day, and must be paid prior to shooting. There is a maximum of 4 guests per member. If you are going from range to range, it is the responsibility of the member to fill out the range book and the guest fee envelope, enclose the proper fees, and place it in the guest fee box.

This is your club, report all range violations and any misuse to the club office.
