LABOR DAY IS SEPTEMBER 5TH, 2023

Labor Day is celebrated On the first Monday of September every year, and it is a Federal holiday in the United States. It started on Tuesday, September 5, 1882.

Why it's so important: The United States of America honors the American labor movement and pays tribute to the social and economic contribution of the laborers toward society and recognizes their individual rights.

It falls at the end of the long weekend known as Labor Day weekend and also highlights the importance of fair employment practices and the ongoing struggle for labor equality.

Labor Day weekend is a time for American workers to enjoy an extended break, engaging in various celebrations and activities and the start of the football season. Additionally, it signifies the end of summer and the transition to cooler weather.

From the President

Salute to all!

It's hard to believe the nights are getting shorter already.

Broadhead leagues are starting up and it won't be long before the hunting season is upon us. I for one have to ask, "Where did summer go?"

If you've been around the club, you know things have been busy. The bar/restaurant business is picking now that the word is out about our great daily specials. We've come a long way from being a burger and beer joint, so come to the club and check it out if you haven't already done so.

Waterford hills seems to have an event on the track every day and the OCSC concession stand down there has been extremely busy.

IDPA and USPSA seem to have events going on non-stop as well.

Sooo, what's wrong with this picture? Nothing!!!!!!! Come out and join us and have some fun before we go back into hibernation.

See you at the club!
Gary

Vice President's Corner

We have been pretty busy this August, doing repairs and cleanups. We have had two band nights in August, Classic Maniacs. On Friday, September 1st we will have Phil Treais in the bar on the electric piano, playing dinner music. Come on out and enjoy the fish fry dinner and music. The August Race Track events have been numerous and the Ferrari cars that were out there were spectacular. September will be busy a month as the fall events for the sub clubs begin to get started.

We are always looking for volunteers for work bees and events. Please consider helping with some volunteer hours, it is rewarding work and a good way to meet other club members. If you want to get on a volunteer work list, please call the office or call me. It takes a lot of people to keep this club looking great and to

make special events happen. Kitchen help is always needed too and help in this area is really appreciated.

See you around the club!

Jr. Rifle

Junior Rifle Club will register new shooters from 6 to 8 PM at the indoor range on September 11. Membership is open to all, ages 10 through 17. The cost of registration is \$15 payable by cash or check. Parents do not have to be OCSC members but at least one parent or guardian must be present at registration.

The club meets Monday evenings for 6 to 9 PM. Shooters reserve their spot by signing up a week in advance to shoot at 6, 7 or 8 PM. Weekly cost to shoot is \$5. The club provides all equipment and ammunition. Shooters will need hearing and eye protection.

We look forward to many new shooters on September 11th.

Range Safety Committee

Specific calibers **NOT** allowed on Indoor Range are .223, .556, 10mm, .357 magnum, .357 Sig, 5.7 x 28. This list is NOT inclusive of all calibers that are NOT allowed.

We have had a lot of problems with members not signing into the ranges properly. The first problem is people are not signing in **legibly** and **printing full names completely**. Please fill in every column including a phone number. Writing “on file” is not acceptable. If you are bringing a guest, **YOU** should sign in for them completely. **YOU** must also fill out the Guest Fee envelope with **date** (the same date you signed in), **printing full names** of member and each guest and amount of money in the envelope. Everyone on the range must be signed in and on a separate line. Do not put M + G in the column where it asks if that person is a Member or Guest. You must use a properly completed Guest Fee Envelope for guest fees. **Do Not Put Loose Money In The Guest Fee Slot.** Do not put a **blank** envelope with money in it, into the box. Sounds crazy but members do it all the time. It is like putting loose money into the box (see above).

If you are coming into the range and you use your swipe card to unlock the door and someone else comes in behind you, politely ask them to use their own swipe card to unlock the door. Do not let anyone into the range on your card unless they are with you. **You** are responsible for anyone you let into the range.

Shotgun News

This year's Junior Shotgun Meat Shoot was the best attended shotgun Meat Shoot ever! That is a testimonial to the hard work of Mike Stoutenburg and his crew of capable ladies that helped him out. Special thanks to Denise Stoutenburg, Kim Francis, and Pam Holsworth. Thank you for your help!

The next shotgun league will begin on Sept 12. If you are interested please check with any desk worker or shotgun officer. Come on out and try your skills against your shotgunning friends for bragging rights and some friendly camaraderie.

High Power Rifle Match Practice

The D.R. Wilson Rifle & Pistol Club will be holding High Power Rifle Match Practice starting Tuesday, May 2, 2023 thru Tuesday, August, 29, 2023.

There will be no shooting on July 23, the week of National Rifle Matches at Camp Perry. We will follow the CMP Rifle National Match Course. Shooting will occur on the 100 yard range using 100 yard reduced SR targets. We will shoot weekly on Tuesday's 6:00pm until dusk. Weekly fees are \$5 for OCSC members and \$10 for nonmembers. All military type rifles are welcome.

Interested, but don't have a military type rifle? The D.R. Wilson Rifle & Pistol Club has both M1 Garand and AR-15 rifles available for use by club members. Club members using club owned rifles are required to purchase ammunition from the D.R. Wilson Rifle & Pistol Club.

New Name for the Bar & Restaurant

It's Now a Contest!

We NEED one! The "Oakland County Sportsman's Club Bar etc." is just way too long and confusing a name. People keep confusing us with the "Sportsman's Great Northern Bar and Grill" down the road at Dixie Hwy and Waterford Rd. **We are looking for suggestions.**

The new name should be **simple and memorable**. Perhaps a single word, like "Shooters" (Which for several reasons isn't suitable unfortunately.), but hopefully would relate to or make people think about what the Club is about.

Yes, we're heavy on shooting/target sports, but don't forget the track and lake activities. Also, beware of names similar to other area bars, grills, and restaurants. There are a lot of them, so you'd best do an Internet search for any name you come up with. Perhaps something with a name similar to a place in another State or Country, but definitely not a place in Michigan. It probably shouldn't be something too obscure either. "Wilson's" might honor our founders, but how many people would make the proper association with the name? Besides, it's already in use. [**Update:** Or it could just be something "catchy"... This is for Marketing after all.]

Please think about this, and if your creative Muse whispers something in your ear and it checks enough of the boxes, add it to the list. And if you like a name already on the list(s), add a mark to show it.

Update:

We need to **AVOID** anything that includes **Sportsman's, Sportsmen's**, and anything similar. Our main problem is the place down the street with a similar name to the club. Please check your ideas with at least a simple Internet search to avoid existing business names. And again, try to keep it short and memorable.

There are two sheet-sets in the main clubhouse where you can submit names, one in the bar and one at the front desk. I will update copies of those sheets with the names already submitted with notations in red for known issues. Out of the over one hundred suggested names so far, only a couple dozen are either unique enough or possible contenders.

The Big News is that one of our members has offered a cash prize for whoever first comes up with a winning name, so when you submit your ideas, please include the date and time. Emails will use the header date and time sent/received. Another member has volunteered to do a formal trademark search as well once we've narrowed the field. We're hoping for a selection committee decision by Fall, and maybe a membership vote if needed *before* the holiday season. The sooner the better, but we need to get this right.

And a big "Thank You!" to those of you who have already submitted suggestions! Your response has been great!

Rob Bauer

Secretary, D.R. Wilson Rifle & Pistol

Muzzleloaders - Clan of the Wolf

August is a rather slow period for the Clan of the Wolf, but as September rapidly approaches, we begin to think about our fall rendezvous!

I thought this would be a good time to talk about what PRIMITIVE means, and how it applies to historical re-enactors and the friends and family who come to visit.

First thing- You are all welcome at rendezvous! We often hear concerns from non buck skimmers such as "can I come visit if I don't have the costume?" The answer is yes! (however, if possible, please leave the Hawaiian shirts at home and referring to period clothing as a costume will almost always get you an eye roll).

The struggle to keep any historical re-enactment true to its purpose has been a difficult one, not just for the Clan of the Wolf, but for all clubs such as ours. Whether you are into the fur trade, French Indian War, or re-enacting modern history such as World War 2, the debate rages.

Our club has been traditionally quite lenient over the decades when it came to minor primitive camp violations. If your red plastic cooler was showing a bit behind your lodge, the DOG SOLDIER would generally overlook it. If it's in front of your camp with cans and plastic items about... well, that's a problem. You see, the people who invest in these rather expensive period correct lodges, who own traditional muzzleloader camps and attire are their pride and joy and they take this stuff seriously. There are clubs that don't allow cigarette smoking or even the wearing of eyeglasses that look too modern. I get that, given the serious time, effort, and money that goes into living in a manner that summons another time and place.

Now then, where does that line get drawn at our rendezvous? The Clan of the Wolf gathers for the benefit of our sub club members and the mother club as well. If you would like to visit, we encourage it. However, we ask that you refrain from the use of modern gadgets such as flashlights. We also ask that you turn the ringer off on your phones and please try to keep them under wraps. Telephone glow is a no no!

The bottom line is this; come visit rendezvous and enjoy the friendly faces, the warm atmosphere of camp fires and candlelight, and try to remember your experience as a short trip in time to an era NOT forgotten.

Conservation Corner

Fall is on the way....consider this...."Leave your leaves". Raking and removing fallen leaves does harm you your local ecosystem. Many small animals, microorganisms and even plants/mushrooms rely on the decaying leaves for nutrients. By leaving them where they fall or raking into a compost pile you can help your local creatures. Burning leaves is a bad idea, especially when there have been dry and hot conditions like Michigan has experienced this summer. Burning also is a problem for our friends and neighbors with chronic lung problems or allergies.

If you have any conservation or habitat improvement ideas or would like to participate in OCSC's conservation efforts please contact me at finpharm@gmail.com

I am always looking for volunteers to help. The next Clinton River 'Adopt a Stream' river monitoring will be October 7th 2023. Contact me or www.crowc.org if you are interested in learning more.

"The Bite"

Our First Annual "Weekly Fishing League" has come to an end. We had a few good days and a few not so good days.....Mother Nature stopped us here and there as did work commitments and all the other excuses you can come up with. We hope to do it again tin the fall/winter and for sure, next spring. If you have ideas to make it abetter league please send them along.

We are planning a September Salmon adventure on the Pere Marquette (the PM) the weekend of September 22,23,24. Self-arranged lodging in the Baldwin area with Wade/Fly fishing the PM. If you are interested, contact Chris Finazzo (248-778-5253) or Eric Larsen (248-842-0845) or, visit us at the September 20th meeting, contact a club member or check out the fishing club page on the OCSC website for more details. NATIONAL WILDLIFE DAY
Monday, September 4, 2023

National Wildlife Day was founded in 2005 by Colleen Paige, to bring awareness to the problems that the planet's wildlife faces. In September 2006, the world lost one of its best wildlife experts and conservationists, Steve Irwin.

Paige dedicated National Wildlife Day to honor Steve Irwin's work and added February 22, his birthday, as an additional observance.

This is a day for preservation organizations and sanctuaries to promote their work and teach people about how crucial it is that we keep endangered animals and their habitats safe.

Animal extinction often happens because of human actions, so it is important to educate people on how they can help at preventing this.

Many animals are defenseless and count on our help to survive, this day should inspire us all to do good and take action.

PATRIOT DAY
Tuesday, September 11, 2023

Patriot Day is held on September 11 each year. Owing to its significance, many simply refer to Patriot Day by its date: September 11, or 9/11. It is also called the 9/11 National Day of Service and Remembrance.

It is an annual observance, but not a national holiday. Schools and businesses are open as usual. However, it is common for commemorative ceremonies to take place.

As of September 2023, it has been 22 years since the incident took place.

The Patriot Act was created on Oct 26, 2001, in response to the terrorist attack and with the aim of preventing future attacks. The Act had ten sections:

- Enhancing domestic security against Terrorism
- Enhanced surveillance procedures
- International money laundering abatement and anti-terrorist financing act of 2001
- protecting the border
- Removing obstacles to investigating terrorism
- Providing for victims of terrorism, public safety officers, and their families
- Increased information sharing for critical infrastructure protection
- Strengthening the criminal laws against terrorism.
- Improved Intelligence
- Miscellaneous

CONSTITUTION DAY
Sunday, September 17, 2023

Constitution Day as well as Citizenship Day is observed every year on September 17th. September 17 to 23 is officially designated Constitution Week. It is a period of celebration, and appreciation, and allows citizens to learn more about their rights and responsibilities.

It is a federal observance but not a public holiday. Hence businesses stay open as usual. If Constitution Day falls on a Saturday or Sunday, schools, agencies, and other institutions observe it on the next weekday.

Archery Club News

The Summer Leagues Banquet has just taken place and what a wonderful evening we had for getting together and grilling ribeye steaks on the wood fired grill. Trophies were handed out for the 3D, Field & Hunter, and FITA leagues. Congrats to the archers who took home some hardware!

Broadhead leagues are now underway and it looks like we are going to have some great participation again this year. When Broadhead Leagues start the anticipation ramps up knowing that archery season is right around the corner. These leagues are a great tune up for the upcoming hunting season. Even if you aren't a hunter these leagues are a blast and you really owe it to yourself to come out and try it, but do it soon, as the leagues only run for eight weeks.

In next month's article I will give you an update on the International Field Archery Association – North American Field Archery Championship taking place August 18th – 20th. This will be a brand-new event at our club and we have some nice events planned for the weekend along with the shoot. This is a shoot I am looking forward to our club hosting.

As a reminder the BowHunter Jamboree is coming up on the weekend of September 9th and 10th. This will be the 50th Anniversary of the Jamboree! Along with the 3D and novelty shoots we are also planning a demonstration on saddle hunting both days. This will include equipment that is needed and how to get set up safely.

Watch for further announcements regarding indoor leagues starting up at the end of September. Indoor leagues will kick off with the Flint League starting on September 26th and we are also planning a Women's NFAA league, again this year, starting September 28th.

The Archery Club Board of Directors is looking for a Secretary. If you are interested or know someone that might be, please contact me. The pay is horrible but the group you get to hang out with is awesome!

Come join us at the monthly Archery Club Meeting. The meetings are held on the third Wednesday of the month at 7:00pm in the Archery Club Building.

I encourage you to check the Archery Club Website often at <http://ocsc-archery.org> for the latest club news as well as our Facebook page at <https://www.facebook.com/OcscArchery>.

Enjoy this great weather and come out and shoot with us!

WATERFORD HILLS ROAD RACING (WHRRI) STICKY TIRES NEWS LETTER

We have successfully completed 2/3rds of our season. Other than a few notable mishaps, we have been well behaved. It has been a privilege to participate in hard, clean racing. I hope we can complete the next two weekends on so high a note.

We also had a very fine Vintage Race Weekend. Joel and Kathy put on their usual well organized show and we had a very good volunteer turnout. We owe a debt of gratitude to those who made the 3 day weekend run so smoothly. All the volunteers should be proud of themselves!

Elsewhere on the volunteer front, we continue to have way more flaggers than we have had in quite a while. It's nice to see that all the corners are manned as we come around the track. Kudos again to Ron Cech and all of his volunteers.

Rentals and OTDs are always busy. Dave Hinman is doing a great job keeping our weekdays full. Clutch is doing his usual good job at the OTDs. Both are sources for potential new racers and income that pays a major role in keeping our racing costs down. The OTDs really need help from racer volunteers to be instructors or tech inspectors to get all the cars and drivers around the track safely.

I'll spare everyone my rant about volunteering in a virtually all volunteer club. We all know what needs to be done. I will, though, continue to extol the virtues of being active at the OCSC with a reminder that we are already members of OCSC and that we owe the club our loyalty and participation. As is the case with WHRRI, it seems that 95% of the work gets done by 5% of the members. Despite there being more than 130 WHRRI members, I don't think I see more than 10 of us at the OCSC general membership meeting. We can do better. The food is good and the beer is cold. Come to a meeting and find out what is going on.

See you at the track.
Brian Murphy

PPC at OCSC (Police Pistol Combat)

Get ready!! PPC (Police Pistol Combat) is excited to get back "on the line" for the 2023/2024 season!

Everyone (OCSC members and guests) is invited to come out and experience PPC... an open invitation to anyone that enjoys shooting. We'll start the new season on **Monday, October 2 at 9 a.m.** in the DR Wilson Range house. If Monday doesn't work for you, join us **Thursday, October 9 at 5:30 p.m.** PPC is a fun and challenging shooting experience where you shoot for accuracy from different shooting positions and against a clock. If you're new to PPC, we'll teach you and work with you. If you're an "old hand", come on back and join the fun! The challenge will hone your shooting skills!

Come on out and join us! Questions about PPC? Reach out to Michael Graham @ 248-417-5951
