From the President

Greetings from the weekend of September 16th!

First, I'd like to congratulate my wife Anne on putting up with me with 45 years of marital bliss! She's such a lucky woman.

Next, this weekend was the Muzzleloader's Fall Rendezvous, and believe it or not, it didn't rain! This year they had a good turnout! I always encourage all new members to check out their campsites.

One other event was the Archery workers appreciation pot luck dinner. This dinner was to show appreciation to everyone who keeps our archery program running all year.

Last, but not least, thanks to everyone who helped out with the improvements on the outdoor range project. It's really progressing nicely! Great job to everyone involved in this project.

I'd also like to remind all of you that if you're climbing a tree or ladder stand, remember to wear your safety harness and come back to the club in one piece!

Hope to see you there!

Gary

Vice President's Corner

September is proving to be a challenging month, but we are having good results. We had to cancel Phil Treais in the bar, on the electric piano, because of illnesses, but we have rebooked him for Friday, September 29th from 7pm to 10pm. Please come out and have some dinner and drinks and enjoy good times.

We are looking for club members that have experience in large graphic painting, and also someone who has experience in brick repair, and other brick or stone laying talents. If you fit into any of those categories and want to volunteer some time, please reach out to me.

We are always looking for volunteers for work bees and events. Please consider helping and rack up some volunteer hours. Volunteering is rewarding and a good way to meet other club members. If you want to get on a volunteer work list, please call the office or call me. It takes a lot of people to keep this club looking great and to make special events successful. Kitchen help is always needed too, and help in this area is really appreciated.

See you around the club!

Warren Pratt

OCSC 1st Vice President

“The Bite”

The Oakland County Sport Fishing Club

We had quite a bit of rain at the end of August.....The “floating dock” on Townsend Lake was tested and certainly was above its usual level with the permanent dock.

We had our “September Salmon Adventure” on the Pere Marquette (the PM) the weekend of September 22,23,24. Hopefully this will become an annual event. We will have some pictures to post of the great time for the November edition of “The Bite”. Speaking of November....**There will NOT be an Oakland County Sport Fishing Club meeting in November.** Meeting day would be November 15th.....There would probably be a very small turn out.

GOOD LUCK DEER HUNTERS!!!

There have been reports of invasive carp (Big Head, Asian, Grass Carp, Silver Carp etc), DNA being detected in the St Joseph River near Benton Harbor. This could have been a transfer from fishing boats/equipment that were not properly “Cleaned, Drained, and Dried” or a first indication that invasive carp are crossing the barriers into Lake Michigan. Please remember it is a requirement that you pull your plugs and cleat your boat, waders, etc before you change bodies of water. Go to www.michigan.gov/invasives for more information or to report sightings of suspected invasive plants and animals.

Come out to an Oakland County Sport Fishing Club meeting...the third Wednesday of the month @ 7PM.

FISH ON!!!

Archery Club News

The Bowhunter Jamboree took place this past weekend. We celebrated the 50th Anniversary of the Jamboree. The weather cooperated and made for a wonderful weekend. The attendance was good and everyone seemed to enjoy the 3D course, novelty shoots, and food cooked on the grill outdoors.

Broadhead leagues are winding down for the year. As with most years the Broadhead Leagues are very popular with very good attendance. The rainy weather, late summer, this year made it difficult to get all the league shoots in. Our group of great league secretaries were able to work around the conditions and get the shoots in. We will be having the Broadhead League Banquets soon and that will wrap up the outdoor shooting for the year!

The International Field Archery Association – North American Field Archery Championship took place August 18th – 20th. This was an awesome event that we were able to host at our club. We had people from all over the country, and even overseas attend. Archers came from California, Texas, Florida, New Jersey, Ontario, and even England to participate. We put our best foot forward for this shoot and it really paid off. We didn't expect to be able to get this event again for at least three years. People were so impressed with our club, the condition of the course, and how the shoot was organized and run that we were asked to host this shoot again next year!

Indoor leagues start up at the end of September as follows. The Flint League starts on September 26th at 7:00pm and the Women's NFAA League starts September 28th at 6:30pm. These are both 10-week leagues.

Instructional Archery will be starting soon. The Instructional Archery through the Townships will start on October 4th with sessions at 4:30 & 6:30pm. This program runs for 10 weeks and to join you must register at your local Township Office. Many people call during the year inquiring about Archery Instruction so if you know someone that is, please pass the word.

The JOAD program starts their new season on October 1st from 1:30 – 4:00pm on the indoor range.

The Archery Club Board of Directors is still looking for a Secretary. If you are interested or know someone that might be, please contact me. The pay is horrible but the group you get to hang out with is awesome!

Come join us at the monthly Archery Club Meeting. The meetings are held on the third Wednesday of the month at 7:00pm in the Archery Club Building.

I encourage you to check the Archery Club Website often at <http://ocsc-archery.org> for the latest club news as well as our Facebook page at <https://www.facebook.com/OcscArchery>.

It's time to get out in your tree stand!

WATERFORD HILLS ROAD RACING (WHRRI) STICKY TIRES NEWS LETTER

I am writing this with 2 weeks to go before our last race weekend. It used to be that you wouldn't see this writing until after the race, but thanks to Kelly Finazzo's efficient editing, I expect it will be online in plenty of time.

The season has surely gone by fast! It has also been an excellent racing season- incidents have been minor with a couple of rare exceptions, there is a flagging renaissance thanks to Ron Cech's tireless work and OTDs and rentals have been very busy. It is the hard work of Clutch and Dave Hinman and a small number of volunteers that enable us to subsidize the cost of racing for all members. The cost of providing a racing venue like ours would, I think, more than double without their contributions.

Unfortunately, Jerry Shiloff has been ill and is currently unable to be Chief Steward for the September race. Scott Chaiken filled in for Jerry last race weekend and is willing to work the next race. Keep Jerry in your prayers to make a full recovery.

There will be ballots for Sportsman of the Year at the Paddock Shoppe race Weekend 6. Make it a point to cast your ballot for the member you feel has made a positive difference for the club. Also, tickets for the Awards Banquet will be sold at the Paddock Shoppe, while they last, for only \$25.00. The Board voted to subsidize the cost of admission as a member benefit. If you wait until the last minute though, the cost will go up to \$75.00, so buy them early! The banquet will be held on November 11th in the OCSC clubhouse.

October 1st, from 9AM to 3PM will bring a return of the "fun run" renamed as the Volunteer Appreciation Day. Admission is free for volunteers and their families. There will be rides and some chances to drive cars racers are volunteering to provide. Kids will be able to ride their bicycles on the track and run RC cars on pit road if they have them. Bike riders will need to bring helmets to be able to go out on the track. We will be grilling hot dogs and hamburgers for everyone.

Here is another cut and paste, this time from last month. WHRRI's continued success depends more than you think on our participation in our parent club: I'll spare everyone my rant about volunteering in a virtually all volunteer club. We all know what needs to be done. I will, though, continue to extol the virtues of being active at the OCSC with a reminder that we are already members of OCSC and that we owe the club our loyalty and participation. As is the case with WHRRI, it seems that 95 percent of the work gets done by 5 percent of the members. Despite there being more than 130 WHRRI members, I don't think I see more than 10 of us at the OCSC general membership meeting. We can do better. The food is good and the beer is cold. Come to a meeting and find out what is going on.

See you at the track, Brian Murphy
