What Is Veterans Day?

Veterans Day is held in honor of all military veterans, including both the fallen and the living, who have served in the United States Armed Forces, during wartime or peacetime. While Veterans Day celebrates retired soldiers and victims inclusive of all wars on the same day annually, the date of November 11 was originally designated in 1919 as it coincided with commemorating the end of World War I. Until 1954 when it was replaced, Veterans Day was known as Armistice Day.

Thanksgiving 1789 Proclamation

Thanksgiving is celebrated on the **fourth Thursday of every November** and in 2023, Thanksgiving falls on **November 23rd**. George Washington, before his presidency, had often proclaimed days of thanks for victories during the Revolutionary War. Now, after the success of the Revolution, he desired his country to be governed by laws that were faithful to the Constitution. In recognition of this, in 1789, he issued a proclamation that Thursday 26, the last Thursday in November, should be Thanksgiving Day, marking the first national observance of the day.

From the President

Well, it's October 16th and I finally made it into the woods for some bow hunting, my favorite time of year! Speaking of bow hunting, I hope everyone is staying safe and if you're climbing a tree, using a safety harness.

Next, I got to spend the previous weekend with a group of 17 fellow club members. We went to Lewiston Sportsman's Club, mostly shotgunners but a few rifle and pistol shooters too, and I don't want to mention any names but man can Jan Kramer put a rifle shot on those clays when they come to a stop in mid air! After we got done shooting, we all got together for a fire cooked steak dinner and an evening bonfire. It was a great weekend hanging out with fellow club members. Don't try to ask anyone what the shooting scores were, because as I kept reminding everyone that "what happens in the north woods stays in the north woods."

Anyway, let's move back to what's going on at the club. The new stoves have arrived and man they are nice. Thanks to all the volunteers who helped slide around the 1300 lb. Boxes. (fun!) The club is kind of quiet with both racing clubs done for the season. Speaking of racing, club member Jay Pastrana approached me during Waterford Hills appreciation day and said "I'm taking you for a ride." WOW! What a ride it was! I never realized the forces your body endures going around that track. I only made it 2 laps and that was enough for me! Those racers stay out there sometimes for 20 minutes! Whew! I think I'll stick to hunting and fishing.

I'd also like to give a shout out to everyone who has been cutting and chopping wood for our cookouts! It's a lot of work and the amount of wood we go through to successfully cook those steaks is staggering.

Okay, I've wasted enough of your time and I have to get back to waiting for the big buck (or maybe even a little buck) to walk under my stand.

I leave you with one sad note, "God speed, Jerry Pintar." Your presence at OCSC will be greatly missed.....

Gary

Vice President's Corner

The outdoor range is really taking on a new and improved appearance. There is a dedicated 10yd, 25yd and 50yd range with new berms being formed and improved. We will have another work weekend on November 18 and 19. We need a lot of help and would like to see some more volunteers show up. We will have a lot of machinery there to do the heavy moving of dirt but extra help will get things done sooner.

SPECIAL NOTICE, READ CAREFULLY

We have noticed that some shooters on the outdoor range do not read the range rules. The most violated rule is SINGLE LOAD ONLY on the uncovered 50yd and the entire 100yd range. This means that only ONE round is allowed in the rifle at a time. This further means that you do not put a magazine in the rifle with more than one bullet in it. If you are caught shooting with multiple rounds in the rifle, an Incident

Report will be written, your range card will be shut off and you will be required to attend a meeting with the Range Safety Committee. This means that by the time this whole process takes place, you will be without range privileges for at least 3 months. There is no excuse to violate this rule. It is very easy to accidentally discharge a second shot with a semi-automatic rifle with the recoil of the rifle, which could very likely go over the berm. Please review the range rules and don't let a suspension of your shooting privileges happen to you. There will be no more warnings given.

See you around the club!
Warren Pratt, OCSC 1st Vice President

Club Manager Notes

During my first two months, more and more responsibility has been passed over to me as was promised during my initial hiring. This transition has been ongoing every day and I feel I have embraced and enjoyed every minute of it. New ideas and strategies have been initiated and pondered almost every day. I anticipate many new ideas and concepts will be coming your way soon for consideration and approval.

As to our continued success, baby boomers and millennials are our main target for new members. Typically, they have less time and less money than previous generations and they have very different club expectations. They embrace technology and are open to change and often, they demand it. If we are to remain viable, I feel we must be open to change and improvement to all of our facilities. I personally encourage our board and the general membership to establish a new vision and long range planning to make this historic facility "one of a kind"!

I strongly believe it can be done!

Chris Meyers, Club Manager

Shotgun News

ATTENTION SHOTGUN CLUB MEMBERS: 2024 SHOTGUN CLUB OFFICERS ARE BEING VOTED ON / ELECTED AT THE NOVEMBER SHOTGUN CLUB MEETING. NOMINATIONS ARE BEING ACCEPTED UNTIL THE MEETING.

Send nominations to Michael Graham (michaelalanjamesgraham@gmail.com).

Fall is here... which means the return of pheasant and duck hunting seasons. Hone your skills and sharpen your reaction time at OCSC Shotgun!

The OCSC shotgun club is open for business every Tuesday and Wednesday evening from 6 – 10 pm and every Saturday and Sunday from 11 – 4 pm. So come on out and shoot!!

It's not too late to sign up for the fall league. Come on out, bring a friend as your partner (or we'll help you find one) and put your shotgun skills to the test. It's a fun and challenging mix of games!

See you soon at OCSC Shotgun Club!

The Clan of the Wolf

Bonjour to Skinners and flat landers alike...

I would like to begin by thanking my excellent friends who got me to the hospital when I started to vapor lock! Clan brothers Nick Ewing, Dr Phil Durocher, Paul Gulewich, called an ambulance, and packed my entire camp while I lingered in Cardiac Care. Kerry Bush, the Hamilton boys, Chris Meyers, Bill Dau, Al Haynes I, Jewelz Zaffuto, and many more called and visited. I'm very lucky to have you all in my life... thank you.

The Muzzleloader Fall Rendezvous for 2023 is now in the books. The weather was perfect for the event with a touch of rain on Sunday and way too many mosquitoes. The number of primitive camps was way down this year. The Flats was nearly clear with more and more Tin Teepees arriving for Rendezvous this year. We may need to open space for more tents on wheels in the future. This was the first event that made use of the new target shack and Transport 1. Thanks to Scout Grant Klym, troop 185 for the Eagle Scout Efforts and to Craig Brown, Rick Hamilton, Al Southerland and Bill Klym for getting it ready for Targets. Transport 1 is our new club passenger trailer used to shuttle trade gun shooters to the bird shooting area and back. You'll see it and its twin around the grounds whenever hauling passengers is required. Thanks to Gary Mobley and others for making it available to the club.

The following are the winning scores for the OCSC 2023 Fall Rendezvous

Pistol - Gerard Finn score of 130
Archery - Bill Klym score of 36
Knife - Curt Lichy score 10
Hawk - Arthur Labelle score 9
Fire-starting - Gary Geiger time 5.67 seconds
Rife - Nina Kramer score 137
Tradegun 1st - Gary Geiger score 122
Tradegun 2nd - Dave Mercika score 121
Tradegun 3rd - Dave Leonard score 120
Aggregate Winner - Gary Geiger

Muzzleloader fun shoots will be held every Sunday starting in January starting at 10:00am. Come on by and join us, the fire will be hot. Bring your possibles and your Dutch ovens.

It's a shining time.

Tell em 'Ox Dog' sent you.

PPC at OCSC

Fall has ushered in a return of PPC (Police Pistol Combat) at OCSC's D.R. Wilson Indoor Range! So come on out and join us... we meet every Monday morning from 9 - 12 noon and Thursday evening from 6 - 10 pm.

PPC is a challenging and fun shooting sport where the only real competition is you. PPC is a timed event that challenges you to shoot 60 rounds in 4 distinct, timed stages. You will gain skill and become more accurate from several shooting positions (standing; seated; kneeling; prone; strong hand behind barricade; off hand from behind barricade).

It's a fun time that hones your shooting skills... come on out and join us!

Oakland County Sportsmen's Club – M1 Garand Raffle

A Springfield Armory M1 Garand, with a 1944 provenance in fantastic condition is being offered in a fundraising effort and raffled to support DR Wilson Range Improvements. Support our range improvements and get in on a chance to own an original and excellent example of American history!

Tickets will be available in the office, at the bar, or from a number of OCSC members. Contact Eric Larsen (248-842-0845) for information.

Conservation Pledge

I give my pledge as an American

**to save and faithfully defend from waste of the natural resources of my country, its
air, soil and minerals,
its forests, waters and wildlife.**

Michigan United Conservation Clubs adopted Outdoor Life's Conservation Pledge soon after it was created in 1946. A statewide contest was held in 1950 to present President Truman with a wood-carved copy of the Conservation Pledge. To this day, MUCC recites it before every meeting, as do we here at O.C.S.C. and at most of the MUCC affiliated local conservation clubs. It reminds us every day what conservation is all about. The Conservation Pledge is as relevant today as ever.

D.R. Wilson Rifle and Pistol Club & Action Pistol Range

There have been two work weekends in Phase 1 of the Range Improvement Plan that have made significant improvement to the general membership range. We now have a 10-yard range and the deteriorated backstops on the 25- and 50-yard ranges have been removed and replaced with earthen berms. Targets are now placed on horizontal rails and foam board backers and are lower which will prevent damage to the backstops. Stop by check it out and enjoy the new configuration! The third and next step in Phase 1 of the Range Improvement Plan is finishing the walls on the 10-, 25- and 50-yard berms, backfilling and elevating these berms to a greater height. This working session is scheduled for November 18/19. Come out and help if you can.

Match Shooting on the APR winding down for the year but is still is very active with USPSA, and SCSA matches taking place through November. Indoor shooting is already underway.

The fall and winter schedule for the ranges is:

Indoor Range - Bullseye (Precision Pistol) Sept 5, 2023 to April 30, 2024 – Tuesdays 5-10pm

Indoor Range - Junior Rifle Sept 11, 2023 to April 30, 2024 Mondays 6-10pm

Indoor Range - Senior Rifle Wednesdays 6-10pm

Indoor Range - Bowling Pins Sept 24, 2023 to April 28, 2024 Sundays 6-10pm

Indoor Range - PPC Practice Oct 2, 2023 to March 28, 2024 – Mondays 9am-1pm, Thursdays 5-9pm

Indoor Range - Veterans Day 1800 Saturday November 11, 2023 9am – 4pm

Indoor Range – IDPA & USPSA Practice Nov 4, 2023 – March 30, 2024 Saturdays 8:30 AM to 12pm

Indoor Range – Winter IDPA Match Jan 26/27 Friday 7pm to Saturday 1pm

Outdoor Range 25/50/100 yd – Hunters Sight-In Sat / Sun Oct 28/29 and Nov 4/5 10am to 6pm

Range Safety Committee

With the improvements on the general membership outdoor range, please be aware there are new target positions on the 10-, 25- and 50-yard ranges. Keep your targets centered on the foam backers that are attached to the horizontal rails. Keep your shooting (impact area) between the rails. Do not hang targets on the rails or above or below the rails. A lot of hard work has gone into the range improvement on these ranges and we need all to comply with this simple request to keep our ranges in good shape!

Lately there have been a number of people that have been found to be shooting in violation of our range rules on the general membership ranges. All members (and guests) that are using the ranges need to understand and comply with range rules. All members have been through the orientation and the rules are posted so there is no excuse for non-compliance. Remember members are responsible for their guests! Obey the rules or loose the privileges of range access as noted elsewhere and many times before.

Conservation Corner

Adopt a Stream happened in the early morning hours on on October 7th. Thank you to those who offered help (Dennis and Marcee). The report will be published on the Clinton River Watershed website www.crwc.org once all of the reports from the various teams are collected and tabulated. I found quite a large number of macroinvertebrates indicating that our portion of the Clinton River is in good health.

Next event will be in January..... looking for Stonefly

The Oakland County Sport Fishing Club

NO FISHING CLUB MEETING IN NOVEMBER!!

GOOD LUCK DEER HUNTERS!!!

Last month I reported about the possible finding of Invasive ‘Silver Carp’ DNA in the St. Joseph River. Right after that announcement, there was a report indicating that after re-testing the information was “incorrect”. But, please do continue to Clean Drain and Dry to prevent the spread of invasive species.

Our Salmon fishing trip to the Pere Marquette near Baldwin was.....well...to put it gently, a small disaster. We didn't have a great plan and the sketchy cell service was a big hindrance. If it happens next fall, we will need to have a detailed plan prior to departure.

Looking forward to having some ice on Townsend Lake and a February Ice Fishing outing. Stay tuned. Come out to an Oakland County Sport Fishing Club meeting...the third Wednesday of the month @ 7PM.

FISH ON!!!

Archery Club News

This is considered the slow time around the Archery Club, however, there is still a lot happening! The Flint League is running on Tuesday evenings at 7:00pm and the Women's League is going strong on Thursday evenings at 6:30pm. It's not too late to come out and shoot along with one of these leagues.

JOAD started back up on October 1st with a good turnout. Also, Instructional Archery has started on Wednesday evenings. The Instructional Archery program has a very large turnout this year, which is a good indicator of the interest in learning to shoot archery.

Even with the events that are going on there is still plenty of open range time to come out and practice for the upcoming Winter Leagues. Winter Leagues will be starting the first week in January.

As I write this month's article the schedule for the upcoming year is being finalized. It's really amazing how fast a schedule can fill up! Everyone should be excited and pleased with the schedule for this coming year.

Workbees have pretty much wrapped up for this year except for a few cleanup items. The Indoor Range screens have been rebuilt and are ready for the upcoming Smackdowns and Winter Leagues, the pole barns have been cleaned, and the outdoor courses have been picked up.

When you come into the Archery Building you will notice that all the carpets have been cleaned. I would like to encourage everyone to help keep you club neat and clean. Please do your part to pick up after yourself and make sure the club is left tidy after leagues and in general when you use the club. It's nice to come and use a neat well maintained club.

Pretty soon I will be sending out a note asking for Winter League Secretaries. We may have a few opening this year so please let me know if you are interested. The League Secretaries shoot their league for free or get club hours.

I am still hoping to find a Secretary for the Archery Club Board of Directors. If you are interested or know someone that might be, please contact me.

Come join us at the monthly Archery Club Meeting. The meetings are held on the third Wednesday of the month at 7:00pm in the Archery Club Building.

I encourage you to check the Archery Club Website often at <http://ocsc-archery.org> for the latest club news as well as our Facebook page at <https://www.facebook.com/OcscArchery>.

I hope everyone that has been in the woods this fall for archery season has been successful!

Mike McGinnis
Archery Club President

Shadows

Long time member Leroy Brooks passed away on September 27, 2023. The OCSC family send his family and friends our deepest condolences. He will be missed.

Long time beloved member, Jerry Pintar, passed away on September 30, 2023. Jerry was 65 years old.

Jerry devoted many years to Ford as an electrical engineering technician, but after retiring, he embarked on an exciting journey that brought him to OCSC as the Waterford Hills Racetrack manager. Jerry had a passion for motorsports and channeled his passion for it by making sure the track always operated smoothly and safely.

Jerry always had a smile on his face and warm greeting for everyone he bumped into at OCSC. We feel his loss deeply, and we send our very heartfelt condolences to his family and friends. He will be greatly missed.

(see page 8 for more about Jerry in the WHRRI article)

WATERFORD HILLS ROAD RACING (WHRRRI) STICKY TIRES NEWS LETTER

My friend died last week. Jerry Pintar was good at what he did. Whether it was taking care of our facility or shooting at the Action Pistol Range, he exuded a quiet competence. He had a knack for knowing everyone. He was a consummate volunteer, whether at the racetrack or OCSC. He kept himself in pretty good shape, so his death was a shock to us all. As I look around our WHRRRI and OCSC meetings, I can't help but notice that we have a high percentage of "mature adults" (myself included). Jerry's death can be a lesson to us all. He had been sick with a non-covid virus in mid-September. He felt better enough by race weekend 6 to be at the track. Sometime during the following week he felt exhausted. He missed the OCSC general meeting, something he would not normally do. The next day, having trouble catching his breath and feeling even more exhausted, he had his neighbor take him to an urgent care facility. They took one look at him and transferred him by ambulance to the hospital where he was quickly catheterized and had a stent placed. Unfortunately, the mild heart attack he was having and that he misdiagnosed as a recurrent virus went on long enough that he died two days later, his heart too damaged to function, never really regaining consciousness. I can't help but think that had he not had the initial virus he would have gone to the doctor when the symptoms started. I can't help but think that he would be at the track today rather than at the funeral home where we will go to say goodbye to him tomorrow. God speed my friend. It is hard to believe you are gone. We will miss you.

Our final race weekend went well. The Big Bore Bash and the Pursuit Race were exciting to watch. Everyone worked hard to make the weekend a success. We have been blessed with resurgence in the ranks of our volunteers. I hope we can continue it next year.

We are also blessed by a renewed interest in our Board of Director positions. Geoff Hegel, Adam Grzech, Greg O'Daniel and Tom Christen will be sworn in as new Board members at our October meeting.

For the first time in quite a few years we had a Volunteer Appreciation Day on October 1st. I think it was a great success despite the pall cast by the news of Jerry's passing. We had rides in racecars, games for the kids and plenty of good food. It was their day to have the racers cater to them rather than the other way around. I trust it will again become an annual event.

The banquet will be held on November 11th in the OCSC clubhouse. We are limited to 150 guests. Over 100 people have bought tickets already, so if you are planning on attending let Ron or Pam Krantz know soon. The Board voted to subsidize the banquet this year so tickets are only \$25.00. The cost will be substantially more at the door if there are any left.

Once again, I will cut and paste part of what I wrote last month. WHRRRI's continued success depends more than you think on our participation in our parent club. I'll spare everyone my rant about volunteering in a virtually all volunteer club. We all know what needs to be done. I will though, continue to extol the virtues of being active at the OCSC with a reminder that we are already members of OCSC and that we owe the club our loyalty and participation. As is the case with WHRRRI, it seems that 95 percent of the work gets done by 5 percent of the members. Despite there being more than 130 WHRRRI members, I don't think I see more than 10 of us at the OCSC general membership meeting. We can do better. The food is good and the beer is cold. Come to a meeting and find out what is going on.

If you are proud of your race car, why not show it at Autorama, March 1-3 2024? Email me if you are interested. We need 4 more at the show. We pay the entry fee, you show up with a gleaming car and go home with a trophy from the world famous Autorama!

Brian Murphy
President, WHRRRI

MUZZLE LOADERS: Kerry Bush The Muzzle Loader fall Rendezvous for 2023 is now In the books. The weather was perfect for the event with a touch of rain on

Sunday and too many mosquitos. The number of primitive camps was way down this year. The flats was nearly clear with more and more TIN teepees arriving for Rendezvous this year. This was the first event that made use of the new target shack and Transport One. Thanks to Boy Scout Grant Klym, troop 185 for the Eagle Scout efforts and to Craig Brown, Rick Hamilton, Al Sutherland, and Bill Klym for getting it ready for targets. Transport One is our new club passenger trailer used to shuttle trade gun shooters to the bird shooting area in the back. You'll see it and its twin around the grounds whenever hauling passengers is required. Thanks to Gary Mobley and other for making it available to the club.

President's Comments Gary Mobley
The new stoves and ovens were installed at a cost overrun of \$1000 and for the extra money we received the deluxe models with a greater warranty. I am also guilty of spending money for new transports one and two as they were greatly needed for our extra curricular activities.
The club had a wedding last Saturday and the wedding had 160 guest at the event, and there were many good comments on the food and the condition of the club. At the last executive board meeting we discussed continuing the fish fry on Friday nights with all-you-can-eat fish and chicken. The only way this will work is with volunteers as it will take 9 to 10 people to adequately make the fish fry successful. The executive board is looking to start the new fish fry in the month of January 2024.

Managers' report: Chris Myers
Personally I believe the club needs to advertise more and let the younger people know what we have to offer. The club also needs a new face instead of some signs out by the gate. This club, if it is to survive needs to bring in the younger members and advertising is one way to get them.

Quarter Midgets: None

Shotgun: Dan Valentini
Some of you may have noticed that there will be some work going on at the shotgun range lighting. We are looking to lower the light fixtures on the light pole. All fixtures have been purchased, there will be no further expenses incurred. This is just a heads up that there will be some work being done in the area.

W.H.R.R.I. None

Bar: Is Busy.

Rob Bauer
I will be emailing to the Board of Directors a list of new names for the bar that had been compiled by the committee.

Special Events:
Friends Report: None
Good of the order: no motions

The meeting was adjourned at 9:18 PM, Pat Larson / John Brundage 27Y. Respectively submitted by Joseph Kapelczak secretary.

Range Closings and Organized Shoots

PLEASE CHECK OUR FACEBOOK PAGE OR OUR WEBSITE
FOR ALL UPDATES ON RANGE OPENINGS, CLOSINGS HOURS AND RESTRICTIONS.

This page is only as accurate as the information given to the office by the first Wednesday of the month and already approved at the General Membership Meeting. Make sure your Sub club sends in information on a regular basis. If you have any questions on range closings please contact the appropriate Sub club.

All members and their guests must sign in to use the ranges! There is a **\$10.00 guest fee** for each guest per day, and must be paid prior to shooting. There is a maximum of 4 guests per member. If you are going from range to range, it is the responsibility of the member to fill out the range book and the guest fee envelope, enclose the proper fees, and place it in the guest fee box.

This is your club, report all range violations and any misuse to the club office.
