From the President

Merry Christmas to all from my family to yours!

Not a lot to report on this month, been fighting all the viruses going around and staying home keeping everyone else safe.

Thanks to all who filled in on my absence, looking forward to seeing everyone back around the club when the archery leagues start up in January.

I wish everyone a safe, happy holiday! See you soon at the club! Gary

Vice President's Corner

Merry Christmas and Happy New Year to all!

We have a few events coming up in late December and in January. The Mystery safe raffle and the M1 Garand raffle drawings are on December 27 at the General Membership meeting. Tickets are still available until the actual drawings for both of these raffles.

We have a band night on January 13th and a Comedy Night on January 27th. Flyers are around the club, eblasts have gone out, and Facebook postings have been made with more details.

The fire pit has been repaired, many thanks to member Ron Childers for taking on that project.

Most of the sub-clubs have activities happening over the winter months, so check some of these out and get involved in the ones you may not be too familiar with.

We are always looking for volunteers for work bees and events. Please consider helping and gain some volunteer hours. It is rewarding work and a good way to meet other club members. If you want to get on a volunteer work list, please call the office or contact me directly. It takes a lot of people to keep this club looking great and to make special events successful. Kitchen help is always needed and is greatly appreciated.

See you around the club!

Warren Pratt, OCSC 1st Vice President

Club Manager's Notes

Now that 2023 has come to a close, 2024 offers many new opportunities here at the Club.

I continue to encourage your Board of Directors to initiate and support all efforts in recruiting new members. A significant amount of revenue is out there if we aggressively pursue it. (At least \$200,000!) I hope all of you will help us bring in many new members this year. Dues are the "LIFE BLOOD" of the Club.

With regard to the facilities, new signage, the main entrance, and out buildings enhancements are on the table at every meeting. All of these projects will definitely help us bring our membership to full capacity. Our financial health depends upon it!! Bring in a new member and help YOUR Club.

HAPPY NEW YEAR TO ALL OF YOU!

Chris Myers, Club Manager

WATERFORD HILLS ROAD RACING (WHRRI) STICKY TIRES NEWS LETTER

Thanks to the magic of our digital newsletter and our hard-working editor, I get a second opportunity to wish everyone a happy and healthy Christmas and New Year!

2023 was an eventful year for our club. I think our race season was marvelously successful. We had few incidents, plenty of close competition, a great crop of rookies and full corner stations. I hope we can look forward to 2024 being just as exciting. Our paddock repaving is on schedule, the re-contoured runoff area in turn 2 should help keep cars off the fence and we have a new facilities manager to keep everything running smoothly.

This is a great segue into the virtue and the necessity of volunteerism. The loss of Annie, Jerry S. and Jerry P. is devastating, not just on a personal level, but in the loss of their contributions to our success. Although Jerry Pintar was a paid worker, I include him because of his tireless advocacy for our sub club. That wasn't part of his job description! Everything that must happen before a race weekend event starts is brought to you by volunteers. They run the driver's school, keep the track in amazing condition (a herculean feat!), open the Paddock Shoppe and put on an awards banquet despite significant health issues, and deal with the rules and regulations that seem to be in place to prevent our success. Volunteers fill the corner stations so that we may have a safer place to race. They make sure membership and registration is up to date. They check our cars and safety equipment. They monitor the action and our behavior during the actual races. They sit up in their room timing us so we can measure our own success. They run the "business" part of racing. They make sure trophies are ready to be given out when racing is done. They make our Vintage race a worthwhile destination for a racer with a "treasure" to share with us. They represent us at the parent club. On a given race weekend, we have about 90 entrants. Eighty of us owe a debt of gratitude to the other ten! Please consider becoming one of the ten.

I will soon post a sign-up sheet to man the booth at Autorama. It will be held March 1, 2 and 3 this year. If you aren't too busy making your car way faster than last year, come spend some time at Cobo!

Desert Angels at Work at OCSC

Desert Angels will be taking a winter break, Jan. and Feb. We will resume in person packing at the club in March. You can drop off items at the club. Jan and Feb.

As of December 7, 2023 Desert Angels packed, filled and shipped out: 1,598 Christmas Stockings and 6,047 Christmas Goodie Bags.

Thank you for your generous donations of: items, money and time!! If there are any Christmas Stocking left, DA Blue will pass out to our Police Officers. Do you have a special officer we need to give a Christmas Stocking to? Email me their name, department, shift etc. We WILL make sure they receive a special DA Blue Christmas Stocking Office@TheDesertAngel.org

Thank you notes we have received: THANK YOU so much for the 23 boxes of Christmas stockings! You and your group of volunteers have made many of us extremely grateful. Blessings to you and your family this holiday season.

It was quite the surprise when I received a notification of a package available for pickup from the post office. When I arrived, I was greeted with a large box of mysterious origins. The box was addressed from Michigan, my home state. Upon receipt I noted the box was bulky and heavy laden. I, as any curious individual who has received a gift shook and jostled the box out of curiosity. I then pondered what was enclosed, could it be Legos? My honed ear didn't hear the distinct ting of Legos clinking together. I shook it again, maybe Roblox action figures? No, the contents also didn't sound like action figures. Final answer and shake, I know, I know, a few small tablets for us to watch cat videos on YouTube with, no. I was then inspired to look at the top of the box and read "Holiday Treats" on the packing list. My mind instantly sprung to fruit cakes, mackinac fudge, Snickers, Reese's, and all the other candies that can be found home but not here. Upon opening the box, I was surprised by the care that was taken to ensure this package reached the other side of the world safely and by the bounty of goodies it contained.

What I found even more surprising is that the letters were addressed from Myers Elementary School in Grand Blanc. When I was young, I lived in Grand Blanc just up the road from Myers Elementary on East Hill Road by Vassar Road in an old tri-level house between the entrances to Stockbridge Commons. My little brother attended Myers Elementary while I went to Grand Blanc Middle School and eventually High School before we moved to Flint to attend Kearsley High School and Middle School. As they say it is a small world. However, in my experience the wider you travel, the larger your perception of the world becomes, and long distances seem much shorter.

On behalf of the members of the 18th Maintenance Group, Thank you so much. We really appreciate the support. We will surely enjoy these goodies and think of home as we do.

A Big thanks to all the attendees of the 2023 Clan of the Wolf Christmas shoot! The weather was good and so was the crowd, 34 shooters in all. The Clan set up Holiday Themed targets and made this event a bit more challenging. Thanks to all that got creative and supplied a target. Thanks!

D.R. Wilson Rifle and Pistol Club & Action Pistol Range

We completed our 3rd work-bee on the general membership range. Walls have been finished between the 10-, 25- and 50-yard lines, berms have been significantly elevated and new target backers installed.

Until spring we are concentrating on fund raising and evaluating various wall systems. As such, we are working on quotes on precast systems for range division that will be faster to build and likely less expensive than bin blocks as we originally envisioned.

Once spring arrives, we will be increasing the height and contouring the berms between the 10-, 25, and 50-yard ranges and will start the range division that will prevent range closures, improve access and allow for multiple events to take place concurrently on those ranges.

APR range maintenance will be underway over the winter with removal of the erosion materials off the berms, cleaning up the bay floors, getting the berm road cleared and starting to clear some trees so we can pin the ground per the range improvement plan.

Archery Club News

It's getting busy around the Archery Club!

As of this writing we have already had two well attended Smackdowns. These are very popular shoots with many very good archers. It's really nice to have them come out to our club and attend these shoots. I do want to give recognition to Rob Yahrmarkt for his outstanding work organizing these shoots.

We are preparing for a busy weekend of IAA 3D shooting. On December 15th, 16th, and 17th we will be hosting an IAA Indoor 3D shoot. 30 targets are set up on our indoor range. The shoot will probably already have taken place by the time you read this, but as in the past we expect a very good turnout. Hopefully you have seen the flyer and are planning to take part in this shoot. There will be an evening line on Friday the 15th at 7:00pm, a 9:00am morning and 1:00pm afternoon line on Saturday the 16th, and a 10:00am morning line on Sunday the 17th. This shoot is open to everyone and there is a class for everyone to shoot in! Registration is open and will remain open up until the time of the shoot.

Winter Leagues and Instructional start the first week in January as follows:

Saturday Instructional begins on Saturday January 6th and runs until March 9th.

There are two sessions each Saturday morning. The first session is from 8:00 – 9:30am and the second is from 10:00 – 11:30am. This is a very economical instructional program primarily geared to the new archers. The club provides all the equipment so come out and try out this great sport. Watch for the flyer with more details.

Leagues begin as follows:

January 2nd (Tuesday) – Animal League at 7:00pm

January 3rd (Wednesday) – NFAA League at 9:30am

January 4th (Thursday) – NFAA League at 6:00pm

January 5th (Friday) – NFAA League at 7:00pm

January 6th (Saturday) – Instructional Archery Sessions start at 8:00am and 10:00am.

- Youth League at 1:00pm (10 week league)

January 7th (Sunday) – FITA League (450Round) at 6:00pm

January 8th (Monday) - Traditional Leagues at 9:00am and 7:00pm

All leagues (unless noted) are 12 weeks in length. Check the archery club website for a comprehensive description of the leagues.

We will have our first Sunday Indoor 3D shoot of the new year on January 14th. The shoot runs from 9:00am until 2:00pm.

The next Instructional Program through the Township Parks and Recs will start on Wednesday January 17th with sessions at 4:30pm and 6:30pm. These sessions run for 10 weeks. You are advised to sign up early as the last session filled up quickly.

We continue to improve / maintain our ranges with the help of a bunch of great volunteers. You will notice that the indoor range concrete floor has been repainted. It's improvements like this that make our range look great and it does get noticed!

We are putting together a group to work on promotions. We have a great club and know we can do a better job promoting the Archery Club and our activities. One thing about the club is we have a lot of talent and it just needs to be discovered. If you are interested in getting involved, please contact myself or Ron Hall to express your interest. We need some new ideas!

Another exciting item of interest is that a date for the Midwest Safari Triple Crown has been set. Our club will be hosting this shoot, again this year, on July 6th. Make sure to put this shoot on your schedule. Last year we had 103 archers on the course and I expect to have more this year. You really do not want to miss this one!

Come join us at the monthly Archery Club Meeting. The meetings are held on the third Wednesday of the month in the Archery Club Building starting at 7:00pm.

Our entire 2024 Archery Schedule is posted on our Archery Website listed below.

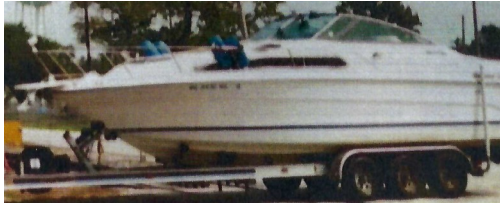

I encourage you to check the Archery Club Website often at <http://ocsc-archery.org> for the latest club news as well as our Facebook page at <https://www.facebook.com/OcscArchery>.

I encourage you to come out and participate in our leagues, shoots, and instructional programs this Winter!

Range Closings and Organized Shoots

PLEASE CHECK OUR FACEBOOK PAGE OR OUR WEBSITE
FOR ALL UPDATES ON RANGE OPENINGS, CLOSINGS HOURS AND RESTRICTIONS.

This page is only as accurate as the information given to the office by the first Wednesday of the month and already approved at the General Membership Meeting. Make sure your Sub club sends in information on a regular basis. If you have any questions on range closings please contact the appropriate Sub club.

All members and their guests must sign in to use the ranges! There is a **\$10.00 guest fee** for each guest per day, and must be paid prior to shooting. There is a maximum of 4 guests per member. If you are going from range to range, it is the responsibility of the member to fill out the range book and the guest fee envelope, enclose the proper fees, and place it in the guest fee box.
