

OAKLAND COUNTY SPORTSMAN

Official Publication of the Oakland County Sportsmen's Club
OCSC.Club ocsclub@sbcglobal.net Vol. 965 March 2024

Did you know that March 3rd is National Anthem Day? This day commemorates the moment when, in 1931, "The Star-Spangled Banner" was adopted as the official national anthem of the United States. A symbol of American patriotism, "The Star Spangled Banner" makes the young and old stand with pride in their country, and everything it represents.

Daylight Saving Time begins every year on the **second Sunday of March**, at 2am. In **2024** it will start at **2am on March 10th**. However, because different states have different time zones, this time change occurs at different times. At 2am the clocks turn **forward one hour**, essentially taking one hour from the morning, to extend the evenings. This change happens at 2am because it causes the least disruption to everyday life.

From the President

Greetings!

Spring is in the air and it won't be long until the sound of racing engines will fill the air, and all the shooting sports will move back outside into the fresh air.

It won't be long until the ice, which was never safe to fish on, melts off the lakes and time to get the boats back out.

Anyway, I guess what I'm trying to say is "come out to the club and get outside"! It's a great place to be!

I hope to see you there!

Gary

Vice President's Corner

The weather is starting to break, but this winter has not been too bad for the club activities. All sub clubs are having gatherings, events and matches.

If you haven't been to the club for lunch or dinner lately, please give us a try. Ben, the cook, has been very creative with the menu and many specials are now being served. Come and enjoy a meal with his new creations.

Don't forget to renew your membership before March to avoid a late charge.

We are always looking for volunteers for work bees and events. Please consider helping with some volunteer hours. It's rewarding work and a good way to meet other club members. If you want to get on a volunteer work list, please call the office or call me. It takes a lot of people to keep this club looking great and to make special events successful. Kitchen help is always needed too and help in this area is really appreciated.

See you around the club!

Shadows

Long time OCSC Member James Campbell passed away, November 2023. His wife Bonnie called to tell us of his passing, and she said that they both enjoyed their time here as well as all of the people they met at the OCSC. We give the family and friends of James our sincere condolences, he will be missed very much at the club.

Ronald Lee Soncrainte, Sr. passed away on January 30, 2024 at the age of 81. Ron served in the U.S. Navy. He served for 25 years as an Oakland County Sheriff's Deputy. He enjoyed hunting, fishing, wood carving, traveling and dancing. He was a past President of Oakland County Sportsman's Club. The family would like to thank the staff at the Ridge of Goodrich (formerly The Pines of Goodrich) for their amazing care and compassion the past four years. The OCSC give our condolences to Ron's family and friends. He will be missed. For more information, please visit: <https://www.wintfuneralhome.com/obituary/ronald-soncrainte-sr>

Terrance L. Abbott, age 64, of Livonia, passed away unexpectedly on February 13, 2024, while away on a work trip in Austin, Texas. Terry had a passion for racing unlike any other. You know that saying "I work to live"? Well, Terry lived to race. He was a lifetime member of Waterford Hills Road Racing, longtime member of Oakland County Sportsman Club, and was heavily involved with Quarter Midgets of America. He began his racing career at a very young age and continued to race through his adult life. We here at OCSC give our heartfelt condolences to Terry's family and friends, he'll be missed around the race track! For more about Terry visit: <https://www.heeney-sundquist.com/obituary/terrance-abbott>

Kenneth "Ken" Edward Morawski Jr, of Clarkston, formerly of Warren and Madison Heights, passed away on February 21, 2024, at the age of 61. He was born October 27, 1962 in Dover, Delaware to Kenneth and Lydia Morawski. He believed in the conservation and protection of the planet and its resources. As an avid outdoorsman in Michigan, he could be found equally at home in the woods, on the water, or on the ice taking in the beauty of nature and fresh air. Shortly after moving to Clarkston, Ken became a member of the Oakland County Sportsmen's Club. His primary areas of interest were in archery and firearms, though he enjoyed everything the club had to offer. During his time as an active club member, he achieved Lifetime Membership status. He was a frequent volunteer during archery jamborees, weekend race days, and as a cook at the weekly fish fry. We will miss Ken at the OCSC and we send our condolences to all of his family and friends. For more information please visit: <https://www.wintfuneralhome.com/obituary/kenneth-morawski-jr>

PPC at OCSC

The 2024 Spring PPC Match is happening!

OCSC PPC will host an organized match at the DR Wilson range house on Friday March 1st (3 - 9 pm), Saturday March 2nd (9 am – 5 pm) and Sunday March 3rd (9 am – 3:30 pm). Following the close of competition, there will be a PPC banquet in the main lodge. Details about the match, prizes (yes, there will be guns awarded to class winners) and banquet will be presented in the next OCSC newsletter.

Come on out and start practicing!

Winter league has begun but it's not too late to sign up and get involved! So come out and join in on the fun!

PPC shoots each Monday morning from 9 am to 12 noon and each Thursday evening from 6 pm to 9 pm in the DR Wilson range. Shooting is fun and challenging... shoot 60 rounds in 4 courses of fire for accuracy in a specified amount of time (each COF is timed). Shoot kneeling, sitting, prone, strong hand and weak hand. Come out and challenge yourself!

For information on PPC, call Michael Graham @ 248-417-5951.

WATERFORD HILLS ROAD RACING (WHRRRI) STICKY TIRES NEWS LETTER

I am in Florida, but I hear that as I am writing this, there is a snow storm on trac!

Though it may seem like there is still a long winter ahead, we will soon be trying to shave tenths off our best lap times. Until then, there's roundabouts!

There is still time to sign up for and attend this year's Autorama. We need more volunteers. You can proudly show off our 2024 entries, tell people what a hidden gem WHRRRI is and see amazing automotive creations. Help us out, you will be happy you did!

February and March are the months for signing up and paying dues. Make sure your physical is current, pay your OCSC dues and come see Jerry Morlewski at the meeting.

Last is my monthly plea to be a not just a racer, but a contributing member of WHRRRI AND of OCSC. They are both your clubs and need your participation. Come to the meetings and see what is happening- we need your support.

I can't think of anything else to write. Like you, I can't wait to be back on our track!

Ladies Adventure Day would like to express our sincerest gratitude.

The fundraising event, Night-at-the-Races, was a huge success. The proceeds from this night will fund our June 1st, 2024 Ladies Adventure Day.

This event was truly a TEAM effort with months in the planning. A big "THANK YOU!" goes out to our sponsors & donors who are listed below. Please take a moment to look and see who they are. When you visit their shops, stores or establishments, please thank them.

To the volunteers that gave their time, efforts and talents, I could not have done this without you. YOU made it all possible!

To our sub-clubs that were very supportive, Thank you!

My humble gratitude to all,

Monique M. Matson

Jr Rifle

Emily Brock has fulfilled all of the NRA requirements to be recognized as an EXPERT marksman. She has been a member of the OCSC Junior Rifle club for six years, including the Covid shut down, when Jr Club members were not allowed to shoot. During those six years, she has rarely missed a night of shooting.

Few shooters achieve the status of Expert. It takes practice and perseverance. Emily is a Junior at Waterford Kettering High School.

Congratulations Emily.

I want to personally thank you for the care packages! I don't know if anyone else has reached out, but I wanted to make sure you know the impact of your efforts. I am deployed to Europe on the USS Paul Ignatius and my family has had to stay back in Florida. Any reminder of home always makes my day better. I saw your package and decided to pour it all out in a pan on our mess decks as our crew is going through a Basic Life Saving Techniques course which can go for hours and sometimes days. While this course may be boring to sit through, we push ourselves every day to learn more because knowledge and practice is what is going to help us win any battle we are thrown at and return home safely to our families. Needless to say, the smiles of the team as they watched me pour the candy in the pan this morning was evidence that it has a direct and immediate impact to their day. I had to ask them to step back so I could take a picture of the pan after I finished filling it up. I'll check again in a minute or so, but considering the number of people who crowded the pan, it is likely already empty.

P.S. Everyone's pictures are hanging up all over our ship, Ava's was the one in the box that I put in the pan so I put it with the candy.

D.R. Wilson Rifle and Pistol Club & Action Pistol Range

DR Wilson is hosting the Annual PPC Match on March 1-3, 2024. This year there are 15 prize guns (CZ Shadow 2 and P10 Models) being given away via the Lewis Class scoring system. Additionally, there is a CZ Shadow 2 being offered as a raffle gun.

We are introducing a new sport to the APR this year, Rimfire Challenge is very similar to Steel Challenge but shot only with 22 rimfire pistols and rifles. It is a 2-gun match with pistols and rifles shot on the same stage but from different start positions and separate strings of fire. With the weather being so mild this year we have managed to hold two winter matches and more will be scheduled if the mild temps continue. Come out and give it a try.

There will be two spring gun raffles to raise funds for the range improvement program. Stay tuned for more details. Please consider getting in on these as your support will make a difference! There are some great firearms being offered and all funds raised go directly to improve our shooting ranges.

Archery Club News

The Winter Archery Leagues are more than halfway complete, and will be winding down before you know it. At the conclusion of the Winter Leagues, we will have the Winter Banquet again this year at the Main Club. The banquet is scheduled for April 13th with doors open at 5:00pm.

The Indoor 3D shoots held this Winter were very well attended. We have one more indoor 3D shoot this winter before we move outdoors. The shoot will be on Sunday March 10th. The shoot starts at 9:00am and runs until 2:00pm. 30 3D targets will be set on the indoor range. The first outdoor 3D shoot of the year will take place on April 14th, also starting at 9:00am.

On March 16th and 17th, we will be holding the Club Championship. On Saturday the line time is 5:00pm and Sunday's line time is 10:00am. Sign up sheets will be posted at the club.

On the weekend of March 23rd and 24th we will be holding the Tri County 450 NFAA tournament. Line times on Saturday the 23rd are 1:00 and 5:00pm and on Sunday the 24th the line times are 10:00am and 2:00pm.

Over the past few years, we have had members ask about evening workbees. Many members are unable to come to the morning workbees and have asked if we could hold evening workbees so that they can get some work hours toward their membership dues and help around the Archery Club. We are trying again this year to accommodate those members by having a workbee on Tuesday evenings starting at 5:00pm. We have an evening workbee coordinator that will be there with task plans for the evening.

Come join us at the monthly Archery Club Meeting. The meetings are held on the third Wednesday of the month in the Archery Club Building starting at 7:00pm.

Our entire 2024 Archery Schedule is posted on our Archery Club Website listed below, also our Archery Schedule Cards have been printed and you can pick one up at the club.

I encourage you to check the Archery Club Website often at <http://ocsc-archery.org> for the latest club news as well as our Facebook page at <https://www.facebook.com/OcscArchery>.

Come out and enjoy your Archery Club!

The Clan of the Wolf

Spring greetings from the Clan of the Wolf. Soon the wool capotes and wood burners will be stored for another summer rendezvous season.

We were fortunate to have had excellent weather throughout the months of January and February, hence the Winter Fun Shoot was well attended.

A number of new Muzzleloaders joined our ranks this season, which brings us to today's topic...

We have a very eclectic band of brothers and sisters in the world of Buck skippers. If you visit rendezvous to visit a friend, you might need to know BOTH of his or her names. Buck skippers frequently earn nicknames or "handles" as the years pass, and some funny occurrence is usually what generates them. For example... our friend J.P. McCarthy (sadly gone under) was known as Two Toes McCarthy. Two Toes while somewhat inebriated, split his big toe through his moccasin while playing mumboly peg! Long-time member Mike Severs, is known as Tree Frog, after a tree frog jumped into his tin cup of beer on a cold rainy September night. Ritchie Zane was known as Sleeping Thunder for obvious reasons!

We also have our own version of clergy attend in the form of Ken "the Reverend Dollars" Lantzy. Ken would go to the lodge of the previous nights most intoxicated participant (early like 7:00 am) and sermonize to them about their sinful ways. He managed this without having to dodge a round ball. Other handles were Ted Jayson/ Pathfinder. While at the wedding reception of a skinner from Western Wayne, Ted was so drunk he had to keep asking where the rest room was, so a path of bread crumbs was laid out for him to follow! Also from our brothers Western Wayne who was Fire Starter, he set his beard aflame while using flint and steel to start his campfire. Then there was Burnt Bowl... he left his would bowl too close to the fire (not that interesting except I enjoyed waiting until he had a bunch of people at his camp and then I would walk by and shout "Hi Burnt Bowel"! He would get agitated and yell "that's BOWL not BOWEL! There's no E in it!!! lol. Lets turn to a past member named Frank (Opossum) West... Frank and his wife and his 3 kids would walk in a line... Frank (the tallest) followed by his wife and then the kids... like an "Opossum family. Lastly, the story of my handle, Ox Dog. Our friend and longtime Clan of the Wolf member Jim Foley and I were wintering in 1987 (along with Gary Bratton, Bill Gruber and a few others). There was a path through the deep snow and I was headed north on it when I spied Hair Face Foley coming south. No words were spoken as we both already knew the other was not going to vacate the path for the other. As we stared one another down, Foley raised his shoulders, extended his chest and ran at me like a mad bull. I reciprocated and we crashed into each other. We both ended up on the ground in deep snow. Hair Face sat up and exclaimed "You BIG OX DOG!!!" I've been known as OX Dog since. There are more names and amusing stories but not right now.

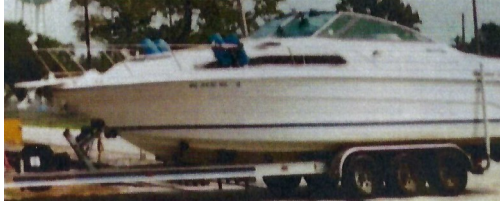

Come visit rendezvous (third weekend of May) who knows? YOU might get your own handle!
