

OAKLAND COUNTY SPORTSMAN

Official Publication of the Oakland County Sportsmen's Club
OCSC.Club ocsclub@sbcglobal.net Vol. 967 May 2024

Friday May 3rd is **National Space Day**, a day to celebrate all the advancements and achievements made in space exploration throughout the years. This day also aims to inspire young people to enjoy learning science, engineering, math, and technology, and maybe even pursue a career in one of these fields, to be the generation that advances space exploration even further.

Mother's Day is observed on Sunday, May 12th. It is a day for celebrating mothers and showering them with gifts and treats.

Anna Maria Jarvis was the creator of Mother's Day in America. She founded it in 1908 but it was made into an official holiday in 1914.

Memorial Day is observed in America on the last Monday of May, and it is a day to commemorate and remember the men and women who lost their lives while in service for the US military. It is a federal holiday, and as such, businesses and schools are closed, and most people have the day off work.

It officially became a federal holiday in 1971. Traditionally, people will visit cemeteries and memorials for American soldiers, and there are several parades around the country.

Hello everyone!

I think the weather is looking good so now we can start planning outdoor activities.

The fishing club has the dock installed, many thanks to all that participated.

Archery has finished its indoor season with the annual awards banquet. What a great time was had by all, and congratulations to all who received awards.

I hope everyone has had a chance to see pictures of OCSCs newest residents! We have 2 Great Horned Owl chicks. It's been fun watching them grow! Below you will see some pictures and we'll print more in the future.

Last but not least, we are now serving perch and walleye on Friday nights from noon till 8pm.

“The Bite”

The Townsend Lake docks are in! The boat Launch is open for the summer. Mucho Gracious to the crew who spent their Saturday repairing, installing and cleaning up the dock and launch area.

Bring your family, boat, kayak, float tube or whatever and enjoy the lake. As always, please be good neighbors and stewards. Clean up after yourselves so you don't leave a mess for someone else.

We're looking forward to taking a bunch of kids fishing on May 4th. If you'd like to help out our boat Captains can always use a hand. It's a lot of fun helping kids catch fish! Call or email Pat Larsen to join in. A huge thanks goes out to The Bait Shop on Airport Rd. They are donating the worms and crawlers for the event.

Don't forget about the annual Coast Guard Boat Safety inspection on Wednesday, May 15th starting at 5pm.

The summer fishing season is upon us. Lower Peninsula Trout, Walleye and Pike seasons are opening soon. The Detroit River Walleye harvest is in full swing. Get out and get ya some.

We meet on the 3rd Wednesday of the month at 7 PM in the main clubhouse. It's a fun group with a great bunch of people who know a lot about different styles of fishing. If you're interested or think you know somebody who may be, please come out to an Oakland County Sport Fishing Club meeting, the 3rd Wednesday of the month @ 7PM.

WATERFORD HILLS ROAD RACING (WHRRI) STICKY TIRES NEWS LETTER

I hope everybody's car is ready to go and you are patiently waiting for racing to start. If not, get busier, because time is running short!

The track is almost ready! We had a decent turnout for the opening workbee. The corner stations are ready for action. We pulled new wires to replace the ones damaged during the paddock repaving. Weather permitting, Paddock repaving will be completed April 16th, shortly after if it rains. By the time you read this OTDs 1 and 2 will be done, so to, Driver's school, although Kelly is getting pretty speedy about getting the magazine out.

Our new track manger, Steve Toth, had some big shoes to fill replacing Jerry Pintar. He has hit the ground running and is, in my opinion, doing a great job. A lot has to happen before we can race. The water has to be turned on, fire extinguishers have to be recertified, the radios have to be checked and our rescue vehicles and pace cars need to be made ready. Little things that we take for granted, like the individually painted paddock space numbers on the new pavement are a very labor-intensive job that with help he will get done. Give him a "thumbs up" when you see him.

If we are going to continue to have a cookout during trophies on Saturday nights we need new "chefs". I really enjoyed manning the grill, with help of course, but my new race group will be 6, so I won't be able to get started early enough to be effective. John and Gina Grembowski have volunteered to do several weekends, but we need more volunteers to fill out the schedule. Let us know if you can help out.

Last month I asked for better attendance at OCSC meetings. I truly appreciate the response, we had a much bigger presence than we usually do. I hope we can keep it up. It is our club, we need to attend and participate so our voices can be heard.

See you at the track!!!

Range Closings and Organized Shoots

PLEASE CHECK OUR FACEBOOK PAGE OR OUR WEBSITE
FOR ALL UPDATES ON RANGE OPENINGS, CLOSINGS HOURS AND RESTRICTIONS.

This page is only as accurate as the information given to the office by the first Wednesday of the month and already approved at the General Membership Meeting. Make sure your Sub club sends in information on a regular basis. If you have any questions on range closings please contact the appropriate Sub club.

All members and their guests must sign in to use the ranges! There is a **\$10.00 guest fee** for each guest per day, and must be paid prior to shooting. There is a maximum of 4 guests per member. If you are going from range to range, it is the responsibility of the member to fill out the range book and the guest fee envelope, enclose the proper fees, and place it in the guest fee box.

This is your club, report all range violations and any misuse to the club office.
