Official Publication of the Oakland County Sportsmen's Club  
OCSC.Club      ocsclub@sbcglobal.net      Vol. 971      September 2024

Labor Day is celebrated On the first Monday of September every year, and it is a federal holiday in the United States. It started on Tuesday, September 5, 1882. It is an important date as The United States of America honors the American labor movement and pays tribute to the social and economic contribution of the laborers toward society and recognizes their individual rights. Labor Day falls at the end of the long weekend known as Labor Day weekend and also highlights the importance of fair employment practices and the ongoing struggle for labor equality. Labor Day weekend is a time for American workers to enjoy an extended break, engaging in various celebrations and activities and the start of the football season. Additionally, it signifies the end of summer and the transition to cooler weather.

The Autumnal Equinox, or the first day of fall in the Northern Hemisphere takes place very year on September 22nd or September 23rd.

In 2024, the Autumnal Equinox will take place on September 22, at 8:44am EST, and the season lasts for approximately 89 days and 20 hours till December 21st.

This day marks the moment when the sun is directly above the equator while moving from north to south, and also the astronomical beginning of fall in the Northern Hemisphere.

## From the President

Greetings WOW!!!! What a difference a month makes!

Let me start off with this statement: "YES THIS IS A SPORTSMEN'S CLUB!! We will never lose sight of that.

Unfortunately, the hobbies we love to participate in at the club don't always pay the bills. So, due to the decrease in volunteer help, many of our special events that used to pay the bills have gone by the way side (i.e.) the Haunted Forest, the Wild Game Dinner, Friends of OCSC and many other various raffles and fund raisers that we can no longer staff, and above all, no one wants to chair.

In light of that information, officially starting September 27th, OCSC will be hosting the Mythical Forest MI. Show!! We have been trying to land one of these events here for about 3 years, and it has finally become reality. Go to [Mythicalforrestmi.com](http://Mythicalforrestmi.com) for more information.

I am going to repeat my first statement "YES THIS IS A SPORTSMEN'S CLUB!! And so now I move on to what's going on around the club with everyday activities.

Congratulations to our shotgun club who sent a team to an MUCC shoot and came back with guess what? 1st place! What a great job crew, way to represent OCSC.

Archery has had their Archery jamboree, and I know it's hard to believe, but hunting season is just around the corner.

Waterford Hills Road Racing has only 2 more race weekends, and I've already heard the Quarter Midgets talking about their pumpkin race.

Can anyone please tell me where summer went? I guess that's what happens when you've had a boat in the repair shop since March!!

Last, but not least, prior to the August general membership meeting, we will be having a special "Dunk the Board " dunk tank starting at 5pm, and no I won't be participating, my wife says "sugar melts" LOL

See you at the club  
Gary

## Correction Notice

At the General Membership meeting on 7/31/24 I reported that the Fidelity savings account had a balance as of 7/30/24 of \$101,762.47 – as indicated on the 7/30/24 balance sheet report.

The balance sheet report as of 8/3/24 indicates a Fidelity balance of \$89,375.34

The \$89,375.34 number appears to be correct. I have no explanation on how this happened ...

## **The Oakland County Sport Fishing Club News**

### **Fishing Club Member Reports:**

The Lake Michigan salmon fishery is on FIRE! Some of our members joined Captain Fred Chartier on August 8th for a day of fantastic fishing. Fred really knows how to catch them and the group landed 18 very nice fish. Nice job Captain and Crew.

### **From the DNR's Website:**

Help prevent the introduction and spread of invasive species. Anglers and boaters can do their parts to help make sure Michigan's rivers, lakes, and streams are protected against invasive species by following some simple steps:

**CLEAN** boats, trailers and equipment, **DRAIN** live wells, bilges, and all water, **DRY** boats and equipment, **DISPOSE** of unwanted bait in the trash

### **OCSFC FISHING events to look forward to in 2024:**

The Fishing Club is hosting an event on Saginaw Bay on Saturday, September 21, 2024.

The Fall Fishing Event is On! Join us September 21st for "A Day on the Bay". Preregistration by September 14th is required! There are limited spots available for boats - first come, first served. Limited rustic camping, cottage rentals and a campground are nearby. Let's hope the perch, walleye and weather cooperate. Contact Pat Larsen for details and registration.

### **Interested in the hearing more about the Fishing Club?**

The Fishing Club meets on the third Wednesday of the month at 7 PM in the main clubhouse. It's a fun group with a great bunch of people who know a lot about different styles of fishing. If you're interested or think you know somebody who may be, please come out to an Oakland County Sport Fishing Club meeting, the 3rd Wednesday of the month @ 7PM.

# Archery Club News

Rockin' at the Racetrack is August 24th after the road races for the day. It will be a fun evening of music featuring local band Whiskey Business. Come out to listen to the band. We are still looking for volunteers if you would like to help us.

September is a quiet month as Broadhead Leagues will continue through the month. The monthly 3D Fun Shoot will be outdoors on the second Sunday.

Work bees will continue Wednesday evenings clearing invasive vines in August and September from 5-7 pm. We had good work crews so far clearing the trees around the FITA field. We will continue down the main trail north of the FITA field. Tuesday morning work bees are continuing with everyday maintenance of the outdoor ranges.

Our August events of Signature Stand fun shoot and Bowhunter Jamboree were lightly attended. The BBQ Trifecta was well attended with everyone enjoying our barbeque picnic lunch as the rain moved in right at lunchtime! Archers provided us constructive comments on how we might enhance future events from the platform.

# The Clan of the Wolf

I had to make a deal with, well, a Dragon and a Unicorn. This deal will have an impact on our Fall Rendezvous.

As many of you know, our Muzzleloader club is a sub-club of the Oakland County Sportsmen's Club. Without the main club, the Clan of the Wolf is just a group of handsome, sharply dressed individuals with smoke poles. Our Club has been making some income, but it is not keeping up with our current and future bills. A big one coming up is the improvement of our parking lot. The club has been working to find creative ways to address club income and one of the plans is starting to come together.

Many clubs in the area have had success with light shows and other attractions much like our Haunted Forest, a Terror on Townsend Forest. I was all in for that and was sorry to see it go. Many of the fund-raising events we had depended on over the years have gone by the wayside, including my beloved Hunter's Banquet. The lack of sufficient volunteers to organize and run these events is the core issue.

The Club is very close to closing an agreement with a company that puts on light shows, concerts, dinosaur exhibits and many other successful fund-raising ventures. Our plan is to turn the Campground woods into a Mythical Forest Attraction each weekend from September 27<sup>th</sup> to November 3<sup>rd</sup>. I was able to delay the event until after the Fall Rendezvous, they had hoped to start on September 20<sup>th</sup>. This delay doesn't completely leave us unaffected, however. Many of the attraction displays will start to be delivered as soon as August 14<sup>th</sup>. So, we will be sharing the woods with not only deer and turkeys, but unicorns, dragons and Gnomes. Some of the camping areas will be shared with mythical creatures but we should be able to coexist for the event. The flats will be open as usual, and I was hoping this may get the various camps closer together for some Rendezvous participation, as I understand we have done in the past.

I understand that some of the Clan and our Rendezvous guests may have issues with this plan, so even though the timing is not optimal, this will require some degree of understanding and support from all of you.

I think the Fall Rendezvous will still be a great event, just with a twist. Walking the loop trail by candlelight may just be a little more exciting than in years past as there will be more than just an Ox Dog lurking in the darkness...

Kerry Bush  
President, Muzzleloaders

Note: September meeting is moved to September 18th at the trading post at 7pm.

## Shotgun News

OCSC's Shotgun team did OCSC proud at the annual MUCC shoot outing. Congratulations to the OCSC Shotgun Team composed of Dan Porter, Tim Bentley, Dan Valentini, Ron Francis, David P Smith & Don Kraj! The OCSC team won 1st Place with David P. Smith taking the honor of Top Gun for the entire match.

Both men's and women's leagues are underway (8/13 start for the men's and 8/20 for the women's). These are partner leagues; sign-up is open at the time of publication. So come on in and join in the fun... friendly competition in a terrific environment.

The OCSC Shotgun Club is open Tuesday and Wednesday from 6 pm to 10 pm; Saturday and Sunday from 11 am to 4 pm.

Shotgun President

# WATERFORD HILLS ROAD RACING (WHRRI) STICKY TIRES NEWS LETTER

The lead story has to be the cancellation of the Vintage weekend races. Unfortunately, a very low entry count caused Joel to pull the plug on the festivities. To say we are disappointed is an understatement. We will regroup, come up with another plan and hopefully have a bigger and better race next year. So far, we plan to fill the weekend with another OTD, thanks to Clutch, and are looking at another rental.

As I sit and write this, Race Weekend 5 is 8 days away, through Kelly's magic, you may just read this before the race. As of now, we are looking for someone to grill the burgers and dogs during trophies. If you stay, plan on catching the concert on the hill following Saturday's racing. The band is Whiskey Business and the concert is a fundraiser put on by Archery.

Our bylaws mandate that we occasionally examine them and update them when desirable. The Board worked hard for several months to come up with a few changes that made sense. They were voted in overwhelmingly at the last general membership meeting last week. There are no earth-shattering changes, only a few things that streamline the way things get done.

If you haven't heard, there is going to be a Halloween themed walk through exhibit in the Muzzleloader's area behind the campground. They are already putting it up. I was at the track on Wednesday for a short time and saw 3 semi-trailers being emptied. It is scheduled to open on Friday of Race Weekend 6 and run on weekends through October. As it will be open only at night, it shouldn't affect our race too much, but it will play havoc with the campground- it is best not to plan on camping that weekend. If the anticipated crowds show up, the exposure for us and OCSC will be tremendous! The pipe gate at the spectator entrance will probably be locked at night, so if you have any need to be at the track after hours, arrange it with Steve Toth before you come by.

I have my two usual rants to close out with. Both WHRRI and OCSC count on volunteers to function. We need you! As a racer, you benefit directly from the work others do to make racing possible. You owe it to your fellow club members to contribute some of your time. The same is true with OCSC. Volunteering is rewarding, and as I have said before, WHRRI is full of very smart people who have a lot to offer. Just do it!

See you at the track!  
Brian Murphy

# Desert Angels at work at OCSC

Our next packing party is Thursday, August 15, 4 - 6pm

My name is Brandon, In 2012, (12 years ago) when I was serving in Afghanistan , Desert Angels sent me a Miracle Box with a Bible in it. About a year ago I gave my life to Christ, I remembered the Bible you sent me. I just want to say THANK YOU, I do appreciate it. Here is the group photo and Bible.

Dear Desert Angels Team,

We want to extend our heartfelt thanks for the incredible care packages you sent our way. As an A-10 aircraft mechanic unit deployed in the Middle East, we work tirelessly to keep our aircraft in top shape, ensuring they're ready to support our mission of maintaining peace and combating the remnants of ISIS.

Your thoughtful inclusion of snacks and other goodies is deeply appreciated. Every item will be enjoyed and put to good use, providing us with a much-needed boost during our deployment. The support and care you provide mean more to us than words can express. Your packages not only bring us comfort but also remind us of the incredible support we have back home.

Thank you once again for your generosity and for keeping us in your thoughts. It makes a world of difference to us.

To all of the Desert Angel Volunteers,

I wanted to reach out and give a huge thank you! My team and I are currently deployed and received your care packages today. We have been working around the clock and will put the coffee and candy to good use. It is such a good feeling to know that people in the U.S. are thinking of us. Your support is definitely a pick me up. Thank you once again and hopefully we can send you guys a picture soon.

Due to all of the kindness, thoughtfulness and endless labors on the part of the caring individuals such as yourself and others like you, our lives and the circumstances in which we survive in, are made a little more endurable. For it is the support of the family, friends, and caring/supporting persons that enables, and provides us the Soldiers, the drive and determination to get up every day, no matter the conditions or location we need to go, in order to ensure that the blank check we wrote when we signed up is covered.

I have taken enough of your time. Again by the humblest means and the only means we have, we the Soldiers say THANK YOU. God Bless, Gods Speed
