From the President

Greetings! I hope everyone is doing well and enjoying these last few warm days.

Let me start out this month on a positive note by saying "Congratulations to David and Ashley Moreno", who were married here at OCSC, and WHRRI, on September 14th. What a beautiful ceremony and reception! They couldn't have asked for better weather, well maybe 5-10 degrees cooler, but congratulations you two from the staff at OCSC.

Next big event going on is our muzzleloaders group who started setting up for their annual fall rendezvous. I personally have to have to thank the group for their patience in working around the few obstacles that were dropped in their woods.

Wow! By the time everyone reads this article Waterford Hills Road Racing will have had their last race weekend of the season. Where did summer go?

Archery just hosted their league banquets and that side of the road will be a ghost town while the archers take to the woods to participate in what they have anticipated all year for. We all can't stress enough, if you're hunting off the ground in a tree blind, please wear a safety harness. Good luck to all our OCSC archers.

Last but not least, the club is a buzz about Mythicalforestmi.com. We had a commercial taping to which we were able to invite few families with their kids and grandkids, and everyone seemed to be pleased! I can tell you we had 2 years old kids who were hugging the animatronics, to big kids that were 74 (David Black). I think he was a little scared, lol, but it appeared everyone equally enjoyed it.

I'm going to sign off for now because my boat just got out of the shop after being in there since March. (just in time to winterize it) I hope I can catch at least 1 fish before the lakes freeze over.

See you at the club,
GARY

Mythical Forest tours will start Friday October 4th and will run through October 27th.
Tours run on Friday & Saturday from 6:30-10:30pm, on Sunday 6:30-9pm

The Oakland County Sport Fishing Club News

Hello Club Sports people.

The early Goose season is ongoing, and recently the youth deer hunt took place.

The political rhetoric is heating up, and the fishing is pretty good.

Lake Michigan's Salmon fishing has truly come back and lots of big healthy fish have been harvested this summer. Thanks and applause to the DNR Fisheries Division for revitalizing this sport. Keep up the good work.

The other fishing reports are improving also. However, cooler water temperatures are moving the fish shallower, which makes them more accessible and easier to find.

By the time you read this, the September fishing club event on Saginaw Bay will have happened. I'll give a report out in next month's magazine.

Everyone Stay safe as we get into our fall fishing and hunting activities.

FISH ON!

Archery Club News

Early September we had five archers go to the MSU Archery Fall Classic. Our JOAD archers and their coach came home with two gold and three silver medals. Congratulations team!

Work bees also ending for hunting season. The morning crew did a nice job keeping the ranges in good shape for the outdoor shoots. The evening crew attacked the invasive vines in August and September. We made a dent into vines around the FITA field. We have many acres to go.

Broadhead Leagues are the ending of outdoor leagues. We will move indoors with the starting of the Flint League and the Women's the last week in September. Parks and Rec Archery Instruction and JOAD team begin in October.

Our hunters will be hitting the woods for archery season with their bows beginning in October. I wish everyone the best of luck as they go looking for that elusive ten point the hiding in the woods.

WATERFORD HILLS ROAD RACING (WHRRI) STICKY TIRES NEWS LETTER

As of right now, RW6 is 8 days away. Class championships and Top Ten positions are up for grabs, and with the Big Bore Bash and the Pursuit Race happening, it should be an exciting finale to our season!

As of today, there are 56 entries, and encouraging sign. Thanks to Kelly's hard work, you will probably read this before the weekend. There are a couple of things to keep in mind; The Mystical Forest will be going on in the woods behind the campground on Friday and Saturday evenings, so the amount of traffic will be high, so be careful leaving the track as there may be a lot of children running around.

Elections for open Board of Director positions will be held at during the General Membership meeting on October 2nd. As designed, 4 positions are up for election, or re-election every year. Come to the meeting and make your voice heard.

We will celebrate our season, our winners and the extraordinary contributions of some of our members at the annual Awards Banquet. It will be at 6PM Saturday, November 2nd at the OCSC Clubhouse. Full information is in the News section of our web page and in the Forum. Tickets are only \$30.00 each, WHRRI is subsidizing the rest of the cost, and will be available both at registration and on MSR. Please attend, it is fun, the food and camaraderie is good and the honorees deserve your support!

Volunteer Appreciation Day is scheduled for Sunday, October 6th starting at 10AM. We owe all of our volunteers a debt of gratitude; this is our chance to show it. More information will be coming soon.

Our closing workbee will be happening soon after that, probably the weekend of the 13th. Watch the website and the forum for more information.

I have my two usual rants to close out with. Both WHRRI and OCSC count on volunteers to function. We need you! As a racer, you benefit directly from the work others do to make racing possible. You owe it to your fellow club members to contribute some of your time. The same is true with OCSC. Volunteering is rewarding, and as I have said before, WHRRI is full of very smart people who have a lot to offer. Just do it!

See you at the track!
Brian Murphy
